This scholarship is available to first-time, returning, and transfer students who are enrolled full-time, have on-campus housing, and a meal plan. The church may contribute any amount; Northpoint Bible College will match up to \$250 for each semester. All denominations are eligible.

### Sponsoring Church Information

Participation in the Church Matching Scholarship Program by a sponsoring church involves accepting responsibility to make contributions in accordance with Internal Revenue Service guidelines. Specifically, contributions for this scholarship program must be from the church and cannot represent designated gifts from an individual for a particular student. Failure to adhere to these guidelines could jeopardize the scholarship program.

Northpoint Bible College agrees to a 1:1 match for church contributions up to \$250 per semester for full-time students. Church contributions should be made payable to Northpoint Bible College and may be sent with the application. Matching funds cannot be credited to the student's account until church funds are received and the pastor has verified the origin of the contribution.
