2020-2021 Verification Worksheet **Independent**

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification." In this process, Northpoint will be comparing information from your FAFSA with copies of your **2018** Federal Income Tax Return Transcripts and other financial documents. According to Title IV regulations, this information is required before federal aid can be offered. If there are differences between your FAFSA application and your financial documents, Northpoint Bible College may send electronic corrections to have your information reprocessed. Please complete this verification process within 30 days so your financial aid will not be delayed.

What you should do:

1. Collect your *signed* **2018** Income Tax Form 1040 and all Schedules, W2s, Verification of Non-Filing, or IRS Tax Return Transcript(s).
2. Complete and promptly submit this *signed* worksheet and requested tax documents to the Financial Aid Office.
