

Good Afternoon Northpoint Students,

As we enter our third week, I trust everyone is adjusting to campus life and enjoying your classes.

Covid-19 Testing

Our policies state that Northpoint will periodically test students for Covid-19 throughout the semester. We are following the guidelines set by the Governor and the Massachusetts Department of Higher Education.

Our testing dates are on **Wednesday's in the Greenhouse from 7.30 – 9.30 a.m.** Our first test date is **Wednesday, September 2**, one week from today. All faculty, staff, and students, including off campus students, whose **last name begins with A-K will be tested**. This **testing is not optional**, everyone must be tested.

Prior to testing, everyone will need to log into a CIC Health website in order to receive your results. As soon as we have the information, we will pass it on to you.

Here are the test dates and who is tested through September:

Wednesday, September 2: Last names A-K

Wednesday, September 9: Last names L-Z

Wednesday, September 16: Last names A-K

Wednesday, September 23: Last names L-Z
