Covid-19 Testing

This is a reminder that all students, faculty, staff and residents whose **last names begin with L-Z** will need to take an on-campus Covid-19 test. **Testing is this Wednesday, September 8, from 7.30 a.m. to 12.30 p.m. in L205.** This test is **not** optional. The test is self-administered and is not invasive. We are anticipating the sign in process, waiting to take the test, and to take the test to be around 20 minutes. We ask that if it all possible some of you come at 7.30 in the morning. We ask that others make sure you come at 8 or 9.15 if you do not have class. If you are not in Chapel on Wednesday, please come during this time.

Here is the September Schedule:

September 9: Last names begin with L-Z
September 16: Last names begin with A-K
