

Good Afternoon Students,

School is just around the corner! New students will report on Saturday, August 8 and returning students will report on August 11. We are so looking forward to seeing each and everyone one of you.

The registration team will be in contact with each of you in the coming days. Our goal is to help you through the entire registration process prior to returning to campus. The contact will be via email and phone. Please watch your Northpoint email addresses!

When you return there will be some changes around campus. Attached to this email are new Covid-19 policies and procedures you must be aware of prior to returning to campus. Please read these policies very closely as some new documentation is required prior to entrance to the campus. We will also be placing these policies and procedures on our website. As necessary this information will be updated.

If you are planning any travel outside of your home state between now and August 5 please contact us at [taskforce@northpoint.edu](mailto:taskforce@northpoint.edu).

We are excited about your return to campus. If you have any questions about the Covid-19 policies and procedures, please contact us a [taskforce@northpoint.edu](mailto:taskforce@northpoint.edu)

Grace and Peace,

Dr. Howell and Dean Jacob
