

COVID-19 UPDATE #2

Spring 2021

Testing and the Student Body

Testing will resume this week starting Wednesday, January 27. There is Prayer and Fasting in the morning, so we will begin testing **right after** the service 12:15 pm to 2:00pm. The following weeks after that we will go back to Wednesday's 7:30 am to 11:00 am.

Testing this Week

This week, all students, faculty, staff and residents whose last names begin with A-K need to take their next Covid-19 test this Wednesday, January 27, from 12:15 pm to 2:00 pm in the Library Conference room. Go right to the circular library stairs and go up to the Library Conference room. Again, this test is not optional. Please note that the testing will conclude at **2:00 pm**. Please come right after Prayer and Fasting to get tested quickly. All you will need to do is show up to administer the self-test. We are anticipating the process to take less than 5 minutes.

Also, if you don't show up for testing on the day you are supposed to, you will not be allowed back on campus without proof that you have taken a Covid-19 test off campus within a specific time frame.

***Reminder, if you do not show up on time for testing you will have an automatic warning.**

New Massachusetts Covid-19 Guidelines:

Governor Baker will be lifting the 9:30pm curfew as of **January 25**. This means our community will be going back to the curfew that is instructed in the Student Handbook.

Campus Life:

Weight Room and Gymnasium will be opened with restrictions. The Exercise/Weight Room is limited to 5 people at a time and Gymnasium is limited to 25. **Masks must be worn** in these areas while working out and playing sports in the Gymnasium. You can find the link on Northpoint's List on Facebook to sign up to use either of these spaces.
