

## COVID-19 UPDATE #3

### Spring 2021

#### **Testing and the Student Body**

Thank you for your corporation with Testing this week. Everything went well and everyone tested negative except one resident in Academy. They are in isolation and we believe they had minimum contact with anyone.

#### **Testing this Week**

Next week, all students, faculty, staff and residents whose last names begin with L-Z need to take their next Covid-19 test this Wednesday, February 3, from 7:30 am to 11:00 am in the Library. There is a Master's class this week in the Library Conference room during testing, so we will be testing on the second floor of the Library in the back right corner near the back stairwell. Reminder, this test is not optional. Please note that the testing will conclude at **11:00 am**. Please come right before or after your morning classes to get tested quickly. If you do not have a morning class, please come as soon as possible and not later. All you will need to do is show up to administer the self-test. We are anticipating the process to take less than 5 minutes.

Also, if you don't show up for testing on the day you are supposed to, you will not be allowed back on campus without proof that you have taken a Covid-19 test off campus within a specific time frame.

**\*Reminder, if you do not show up on time for testing you will have an automatic warning.**

#### **Schedule for Testing in February:**

February 3 Last Names L-Z	7:30 am to 11:00 am
February 10 Last Names A- K	7:30 am to 11:00 am
February 17 Last Names L-Z	7:30 am to 11:00 am
February 24 Last Names A-K	7:30 am to 11:00 am
