

COVID-19 UPDATE #6

Spring 2021

Testing and the Student Body

Thank you for your corporation with Testing this week, wearing your masks and following Covid policies and procedures. Keep up the good work, we had zero positive cases!!!

Testing this Week

Next week, all students, faculty, staff and residents whose last names begin with **A-K** need to take their next Covid-19 test Wednesday, February 24, from 7:30 am to 11:00 am in the Library Conference room. Go right up the circular stairs in the Library and it will be the first door on your left at the top. Reminder, this test is not optional. Please note that the testing will conclude at **11:00 am**. Please come right before or after your morning classes to get tested quickly. If you do not have a morning class, please come as soon as possible and not later. All you will need to do is show up to administer the self-test. We are anticipating the process to take less than 5 minutes.

Also, if you don't show up for testing on the day you are supposed to, you will not be allowed back on campus without proof that you have taken a Covid-19 test off campus within a specific time frame.

***Reminder, if you do not show up on time for testing you will have an automatic warning.**

Schedule for Testing in February:

February 24 Last Names A-K 7:30 am to 11:00 am
