

Northpoint Bible College Liability Waivers

Health and Safety:

Northpoint Bible College understands that, as adults, students are responsible for their personal health and safety.

The college is privileged to provide the availability of a registered nurse for the enhancement of student well-being.

The acting nurse may be consulted for information, and regarding options in case of illness or injury.

However, while this provision increases the expectation of the health and safety of the student body, the student is expected to make wise decisions in regards to treatment.

I agree to take full responsibility for my health and well-being.
