

COVID-19 UPDATE [#14](#)

Spring 2021

This Past Weekend

We had two more members of our student body test positive this weekend. They are in isolation and we have others in quarantine because of exposure to these people. Please continue to be **diligent** in wearing your mask and social distancing yourselves from others. We have four days until Baccalaureate. Please be careful.

Testing this Week

Tomorrow, **ALL** students, faculty, staff and residents need to take their next Covid-19 test Tuesday, April 27, from 9:00 am to 11:00 am in the Library Conference room.

Also, if you don't show up for testing tomorrow, you will not be allowed back on campus without proof that you have taken a Covid-19 test off campus within a specific time frame and we are no longer accepting Rapid Tests. They have been inaccurate lately.

[*Reminder, this is only for those students who are still on campus and are attending end of the year activities.](#)
