

The Association of Biblical Higher Education Notification of Warning:

“The Association for Biblical Higher Education Commission on Accreditation has placed Northpoint Bible College on warning for weaknesses in satisfying the following accreditation standard(s).”

Conditions of Eligibility Number 21: “Annual audit. An institution must have financial records that receive an annual, independent, opinioned audit.”

Standard 3: “The institution demonstrates integrity in all of its practices and relationships, with strict adherence to ethical standards and its own stated policies.”

Essential Element 7: “Fulfillment of all applicable standards, policies, and requirements of the Commission on Accreditation.”

Standard 6b (financial resources): “The institution has the human, financial, physical, and technological resources needed to achieve its mission and has implemented policies and procedures to manage these resources effectively.”

Essential Element 1: “Evidence of financial stability documented by independent, opinioned audits, prepared by a licensed accounting professional, approved by the board, and made available to the public.”

“The institution retains accredited status with the Association for Biblical Higher Education during this period of warning and will be subject to periodic monitoring, which may include progress reports and/or focused visits by Commission on Accreditation staff or evaluation teams. If weaknesses are not resolved within the time specified (usually one year), the Commission on Accreditation may (1) extend the warning for a second year, (2) place the institution on probation, (3) order the institution to show cause why its accreditation status should be continued, or (4) withdraw accreditation candidate status.

Warning is rarely extended beyond two years.”
