GENERAL INFORMATION

OUR INSTITUTIONAL CORE VALUES, AND OBJECTIVES

*The Northpoint Bible College and Graduate School core values are the driving force behind the institutional goals, objectives, and the individual program objectives. Additionally, each value has a specific course(s) it is related to.*

**VALUE: SCRIPTURE**
The Bible is the absolute standard for which we live, study, serve, instruct, and minister. As our students immerse themselves in the Bible, the promises of God become real, faith arises, and the birthing of ministry transpires.
Associated Values Course: TH1381 Encountering God: An Introduction to Scripture

**INSTITUTIONAL SCRIPTURE GOAL**
Northpoint Bible College values Scripture. As such, we aim to equip students for excellent Pentecostal ministry by immersing students in the Bible. To accomplish this, students learn about the Bible, how to interpret and study the Bible, to treat the Bible as the revelation of God for the Church and for them personally, and to recognize the value of the Scriptures as the foundation to practice the presence of God.

**VALUE: CALLING**
Northpoint Bible College places a high priority on the Spirit’s calling and equipping of leaders for ministry. From Christine Gibson’s initial call to sacrificially starting a faith-based Bible College to the present, NPBC recognizes the supernatural call of God for students, faculty, staff, and administration.
Associated Values Course: TH1384 *Missio Dei*: A Theology of Calling, Mission, and Community
INSTITUTIONAL CALLING GOAL
Northpoint Bible College values the calling of God. As such, we aim to equip students for excellent Pentecostal ministry by outlining the concept and discernment of God's call and providing them with opportunities to explore their calling. To accomplish this, students explore biblical and historical ministry calls and practice identifying, articulating, and fulfilling their calling.

VALUE: CHARACTER
Northpoint Bible College embraces character formation as a submissive life to Christ Jesus. Integrity, honesty, self-control, courage, dependability, forgiveness, respect, responsibility, trustworthiness, and other scriptural character traits and virtues flow from being in Christ. Character development based on being in Christ produces influential people filled with the Holy Spirit.

Associated Values Course: MF1381 Spiritual and Character Formation

INSTITUTIONAL CHARACTER GOAL
Northpoint Bible College values Character. As such, we aim to equip students for excellent Pentecostal ministry by exploring the qualities and practices of a Holy Spirit led life that is submissive to Christ. To accomplish this, students learn about the spiritual disciplines, how to develop a spiritually healthy lifestyle, and to reflect upon their spiritual formation over the course of their Biblical studies.

VALUE: MINISTRY
Northpoint Bible College appreciates the ministry of reconciliation, the priesthood of all believers, spiritually-gifted Christians, and the specific ministries of the Apostle, Prophet, Pastor, Teacher, and Evangelist to fulfill the Great Commission.

Associated Values Course: MF2323 Introduction to Ministry

INSTITUTIONAL MINISTRY GOAL
Northpoint Bible College values Ministry. As such, we aim to equip students for excellent Pentecostal ministry by instructing them in theological training and in the practical components of ministry. To accomplish this, students study vocationally specific ministries and their value, practice ministry skills in the classroom and in the local church, and recognize ministerial concepts such as the communication of the gospel message of salvation, the facilitation of the move of the Spirit, the baptism of the Spirit, reconciliation, the priesthood of all believers, spiritually gifted Christians, and the five-fold ministry.

VALUE: ACADEMICS
As a college that prepares men and women for ministry and service, we value the rigors of the academic setting where the skills of writing, thinking, reasoning, rhetoric, and artistic creativity are taught, developed, and used for the glory of God to further the kingdom of God.

Associated Values Course: EN1341 English Composition I and EN1342 English Composition II

INSTITUTIONAL ACADEMIC GOAL
Northpoint Bible College values Academics. As such, we aim to equip students for excellent Pentecostal ministry by providing them with opportunities to critically think, reason, and
communicate through writing, rhetoric, and/or other artistic and creative communications. To accomplish this, students learn to write in a variety of genres, think critically about theological concepts, as well as current and historical societal issues, practice developing effective and creative ministry specific communications such as sermons and Bible studies, utilize tools which will enable and enhance academic research, and reflect upon the value of academic discipline in the life of a future minister.

**OUR HISTORY**

Northpoint (Zion) Bible College was established in 1924 by Reverend Christine A. Gibson. The school initially was called Mount Zion Missionary Training School but was soon renamed The School of the Prophets in 1925. In 1936 it was incorporated as Zion Bible Institute. In 2005, the school underwent a minor name change from Institute to Zion Bible College. In January of 2013 the College was officially renamed Northpoint Bible College.

In its eighty-eight-year history, Northpoint has had only eight presidents. Rev. Gibson, the founder of the school, served as its first president, and was followed in 1960 by Dr. Leonard Heroo. Rev. Mary Campbell Wilson served as principal and president from 1983 to 1985 until the presidency of Dr. N. Benjamin Crandall, who served from 1985 to 2000. Upon Dr. Crandall’s retirement, Dr. George Cope became the fifth president serving until 2005. Dr. Richard Lafferty then served as interim president from May 2005 to April 2008. Dr. Charles Crabtree, former Assistant General Superintendent of the Assemblies of God, was named Northpoint’s seventh president in October 2007 and assumed the presidency in April of 2008. On May 11, 2013, Dr. David Arnett was inaugurated as the eighth president of Northpoint Bible College and Seminary and served through November of 2022. Rev. Tiff Shuttlesworth served as interim president until March of 25, 2023 when he was unanimously selected as the ninth president of Northpoint Bible College and Seminary.

Under the leadership of then president Dr. N. Benjamin Crandall, Northpoint purchased the campus of the former Barrington College in Barrington, Rhode Island, and in October 1985 Northpoint moved from East Providence to Barrington, Rhode Island. In 1994, Northpoint was approved by the State of Rhode Island to become a four-year institution granting the baccalaureate degree in Bible. In 2000, Northpoint became part of the Assemblies of God fellowship, within the Southern New England District (now known as Southern New England Ministry Network).

Recognizing the need to be accredited by a recognized accrediting body, Northpoint began the accreditation process with the Accrediting Association of Bible Colleges (AABC, now known as the ABHE – Association for Biblical Higher Education). Northpoint received applicant status in 1997, candidate status in 2000, and full accreditation on February 14, 2001.

In 2005, under the leadership of Dr. George Cope, the name of the school was officially changed from “Institute” to “College.”

Under the leadership of President Dr. Charles Crabtree, the entire campus family relocated from Barrington, Rhode Island to Haverhill, Massachusetts in the summer of 2008, after Mr. David Green, CEO of Hobby Lobby, Inc., purchased the campus of the former Bradford College. A year
later he sold the campus to Northpoint for $1.00. In January of 2013 the College’s name was officially changed to Northpoint Bible College.

A proposal for the Master of Arts in Practical Theology degree and an Associate in Arts degree in Bible and Theology with a concentration in Church Ministry was sent for approval to our accreditors (ABHE) and the Commonwealth of Massachusetts. On October 7, 2011, the ABHE approved Northpoint’s proposal to offer both the Master of Arts in Practical Theology degree and the Associate in Arts degree. On March 5, 2013, the Massachusetts’ Department of Higher Education also approved both of these degrees.

Under the leadership of Dr. J. David Arnett the bridge over Tupelo Pond was replaced.

With the start of the 2023-2024 academic year President Shuttlesworth begins his first full year as President of Northpoint Bible College and Seminary. The focus of Northpoint remains the same as it always has, to be a single purpose academic institution preparing men and women for excellent Pentecostal ministry in fulfillment of the Great Commission.

OUR DISTINCTIVES

BIBLE CENTERED CURRICULUM. Our curriculum strives for academic excellence, while keeping its focus on the Bible. The professors at Northpoint hold advanced academic degrees, and also serve as pastors, evangelists, missionaries, and/or administrators. The students, therefore, receive training that is both scholarly and practical.

PENTECOSTAL HERITAGE. Northpoint was birthed in prayer and has survived and flourished through the prayer of faith. The monthly days of prayer and fasting and the prayer chapel located on the campus are reminders that prayer is foundational at Northpoint.

DYNAMIC CHAPEL SERVICES. Our regular chapel services are a place for fervent prayer and dynamic praise. Inspiring messages are delivered by our president, Northpoint faculty, visiting ministers, and missionaries. Students participate in the chapel services through testimonies, worship band, choir, and special music.

MINISTRY ORIENTED. Northpoint prepares men and women for effective ministry by integrating the classroom with ministry opportunities and an internship.

COMMUNITY SPIRIT. Northpoint is more than an academic institution. Northpoint is a family, where a wonderful sense of community prevails. At Northpoint, students, staff, and faculty become lifelong friends.

OUR PURPOSE AND MISSION

Northpoint Bible College has but one purpose – to prepare students who are called to the ministry. Therefore, Northpoint Bible College exists to teach and train students for excellent Pentecostal ministry, in fulfillment of the Great Commission.

OUR EDUCATIONAL PHILOSOPHY

The curricular offerings at Northpoint are constructed on the foundation of the Bible. Northpoint contends that the Bible in its original manuscripts is the inspired, inerrant, and authoritative Word of God. The Bible, therefore, is the integrating factor of the total curriculum. The study of the Bible is deemed the most important discipline for any Christian; therefore, Northpoint students take a first major in Biblical Studies.
Other curricular areas of general education and vocational studies complement the biblical and theological studies to provide each student with a well-balanced Christian worldview. Opportunities for practical ministry experience are deemed an essential part of the students’ preparation. Northpoint’s administration, faculty, and staff work to see that the lives of the students are being conformed and transformed more and more into Christ’s likeness, solidly preparing them for the Lord’s service.

**OUR SPIRITUAL AND MORAL STANDARDS**

Northpoint Bible College is an educational institution affiliated with the Assemblies of God, a religious organization. The General Council of the Assemblies of God (“General Council”), the highest governing body of the church, has established the Alliance for Assemblies of God Higher Education (“Alliance”) and tasked the Alliance with developing educational, spiritual, and theological standards for institutions that wish to be affiliated with the church. To fulfill this mandate, the Alliance developed Endorsement Criteria that are intended to facilitate the development of educational institutions that are committed to the Assemblies of God’s mission, to the integration of faith and learning in the Pentecostal tradition, and to academic excellence. The purpose of the Endorsement Criteria is to insure doctrinal fidelity and institutional conformity to Assemblies of God standards of morality. Northpoint Bible College is endorsed by the Alliance and is committed to maintaining this status by carefully following the Alliance’s Endorsement Criteria.

Northpoint Bible College’s mission documents commit Northpoint Bible College to the formation of mature Christian character and spiritual life, the development of loyalty to the doctrines and principles of the Assemblies of God, and the preparation of leaders for the Kingdom of God and the Assemblies of God.

At least 90% of Northpoint Bible College’s board members are affiliated with the Assemblies of God and the remaining board members affiliated with another Pentecostal church.

Northpoint Bible College’s faculty, administrators, and students are required to be members of an Assemblies of God church or otherwise espouse a personal belief in the basic tenets of the Christian faith as understood by the Assemblies of God. All of Northpoint Bible College’s administrators and faculty annually sign a statement affirming loyalty to the Statement of Fundamental Truths of the Assemblies of God, a personal experience of Holy Spirit baptism, and a willingness to influence others with regard to loyalty to the Assemblies of God church and theology.

Northpoint Bible College asks all applicants for matriculation into any of its programs to affirm that they are born-again Christians, that they desire to be involved in Christian service, and that they agree with the accepted essentials of the Christian faith as held by the Assemblies of God. Applicants must also provide a letter of recommendation from a pastor.

Student life at Northpoint Bible College is also shaped by our commitment to Biblical precepts. Northpoint Bible College shares the Assemblies of God’s conviction that Christian colleges and universities should form their students both academically and spiritually. Northpoint Bible College helps stimulate students’ appreciation for the Word of God and encourages students to pursue spiritual maturity and excellence. Northpoint Bible College is dedicated to strengthening our students’ appreciation of and attachment to the Christian Church, especially the Pentecostal tradition and the Assemblies of God. Each student is required to be involved in a ministry for at least two semesters.
As part our commitment to developing a robust Christian community, Northpoint Bible College holds four chapel services each week, which are mandatory for students. Northpoint Bible College also has required church and chapel attendance policies for administrators and faculty.

As a Christian institution, Northpoint Bible College believes that all matters of faith and conduct must be evaluated on the basis of Holy Scripture, which is our infallible guide (2 Timothy 3:16-17). As a school founded in and inspired by the Assemblies of God tradition and endorsed by the Alliance, Northpoint Bible College looks to the General Council and the General Presbytery of the Assemblies of God to help us interpret Scripture.

1. **Human Dignity:** The Assemblies of God believes that God created humankind in His image and that people receive their essential dignity from the fact that they are created in the God’s image and are loved by Him (Genesis 1:27). This dignity does not depend on whether someone is single or married or on whether someone suffers from any particular temptation to sin (1 Corinthians 7; Romans 5:8).

2. **Abortion:** The Assemblies of God believes that human beings bear the image of God and receive their essential identity and dignity before we are born (Luke 1:31-44; Acts 7:19; Job 31:15; Psalm 139:13-16). As such, the Assemblies of God believes that abortion is the killing of innocent human life and is therefore prohibited by the Ten Commandments and elsewhere throughout Scripture (Exodus 20:13, 21:22-24; Matthew 19:18; Romans 13:9).

3. **Marriage:** The Assemblies of God defines marriage as the permanent, exclusive, comprehensive, and conjugal “one flesh” union of one man and one woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child. The Assemblies of God teaches that the purpose of Christian marriage is to reflect the love, purity, and permanence between Christ and the Church (Ephesians 5:23-33).

4. **Sexual Conduct:** The Assemblies of God believes that God has designed sexual intimacy for marriage and that sexual acts outside of marriage are sinful. Such acts include but are not limited to adultery, fornication, incest, bestiality, pornography, prostitution, voyeurism, pedophilia, exhibitionism, sodomy, polygamy, polyamory, or same-sex sexual acts. (Exodus 20:14; Leviticus 18:7–23; 20:10–21; Deuteronomy 5:18; Matthew 5:27–28; 15:19; Romans 1:26–27; 1 Corinthians 6:9–13; Galatians 5:19; Ephesians 4:17–19; Colossians 3:5; 1 Thessalonians 4:3; Hebrews 13:4).

5. **Sexual Orientation:** The Assemblies of God affirms the sexual complementarity of man and woman and teaches that same-sex sexual attractions are temptations to sin and should therefore be resisted. (Genesis 1:27; 2:24; Matthew 19:4–6; Mark 10:5–9; Romans 1:26–27; 1 Corinthians 6:9–11).

6. **Sexual Identity:** The Assemblies of God believes that God created humankind in His image, male and female, sexually different but with equal personal dignity. The Church supports the dignity of individual persons affirming their biological sex and discouraging any and all attempts to physically change, alter, or disagree with their predominant biological sex—including but not limited to elective sex-reassignment, transvestite, transgender, or nonbinary “genderqueer” acts or conduct. (Genesis 1:26–28; Romans 1:26–32; 1 Corinthians 6:9–11).
7. Sexual Equality: The Assemblies of God believes that men and women have equal dignity before God and does not make any distinction between the sexes when selecting people for ministry or spiritual leadership positions. Having observed that God pours out His Spirit upon both men and women, the Assemblies of God concludes that God gifts both sexes for ministry in His Church.

Northpoint Bible College believes and embraces these teachings and has integrated them into its standards for its administrators, faculty, and students. In order to help foster these standards and to help ensure that Northpoint Bible College is a place of nourishment, Northpoint Bible College has adopted an Honor Code and policy manuals that clearly outlines policies regarding expectations for faculty, staff and student behavior, accountability, rules and disciplinary actions, and other general expectations for student life on campus.

None of this to say that Northpoint Bible College or the Assemblies of God excludes anyone based on their sins or based on their temptations. The Assemblies of God believes that all have sinned and fall short of the glory of God and should seek redemption through confession, repentance, baptism, and faith in Jesus Christ. We welcome and treat with respect, compassion, and sensitivity all who experience same-sex attractions or confess sexually immoral acts and are committed to resisting sexual temptation, refraining from sexual immorality, and transforming their behavior in the light of biblical teachings. (Matthew 11:28–30; Romans 3:23; 1 Corinthians 10:13; Ephesians 2:1–10; Hebrews 2:17–18; 4:14–16). However, in keeping with our biblical beliefs about sexual morality, Northpoint Bible College cannot in good conscience support or encourage an individual to live in conflict with biblical principles. Any individual who violates campus standards for biblical living is subject to discipline, including expulsion.

Northpoint Bible College believes that its policies and practices, informed by Assemblies of God teachings, do not discriminate on the basis of sex—that is, between men and women.

Admissions and Student Discipline. Based on the convictions listed above, Northpoint Bible College believes that it cannot fulfill its God-given mission and build an intentional Christian community if it cannot require faculty, staff and students to embrace and do their best to follow the Assemblies of God’s teachings about sexual morality and sexual identity. These convictions shape Northpoint Bible College’s hiring and admissions policies and student discipline policies.

Housing, Restrooms, and Locker Rooms. Based on the convictions listed above, Northpoint Bible College expects all faculty, staff and students to embrace their God-given biological sex. This expectation shapes Northpoint Bible College’s policies regarding student housing, restroom and locker room use, and participation in athletic programs.

Marriage, Sexual Conduct, and Abortion. Based on the convictions listed above, Northpoint Bible College expects all students, faculty, and administrators to honor the Assemblies of God’s teachings on marriage, sexual conduct, and abortion.

Northpoint Bible College is endorsed by the

DOCTRINAL STATEMENT OF THE ASSEMBLIES OF GOD
FUNDAMENTALS OF FAITH

1. WE BELIEVE – The Scriptures are Inspired. The Scriptures, both the Old and New Testaments, are verbally inspired of God and are the revelation of God to man, the infallible, authoritative rule of faith and conduct (2 Tim. 3:15-17; 1 Thess. 2:13; 2 Peter 1:21).

2. WE BELIEVE – The One True God. The one true God has revealed Himself as the eternally self-existent “I AM,” the Creator of heaven and earth and the Redeemer of mankind. He has further revealed Himself as embodying the principles of relationship and association as Father, Son, and Holy Spirit. (Deut. 6:4; Isaiah 43:10,11; Matt 28:19; Jn 3:22).

3. WE BELIEVE – The Deity of the Lord Jesus Christ. The Lord Jesus Christ is the eternal Son of God. Born of a Virgin, lived a sinless life, performed miracles, His substitutionary work on the cross, His bodily resurrection from the dead, He is seated at the right hand of God. (Matt. 1:23; Hebrew 7:26; Acts 2:22; 1 Cor. 15:3, 4; Phil 2:9-11.)

4. WE BELIEVE. – The Fall of Man. Man was created good and upright; however, man, by voluntary transgression, fell and thereby incurred not only physical death but also spiritual death, which is separation from God. (Gen 1:26, 47; 2:17; Rom 5:12-19).

5. WE BELIEVE – The Salvation of Man. Every Person Can Have Restored Fellowship with God Through ‘Salvation’ (accepting Christ’s offer of forgiveness for sin). [1 of 4 cardinal doctrines of the A/G]

6. WE BELIEVE – The Ordinances of the Church (1) the ordinance of baptism by immersion is commanded in the Scriptures. All who repent and believe on Christ as Savior and Lord are to be baptized. Thus they declare to the world that they have died with Christ and that they also have been raised with Him to walk in newness of life. (Matt 28:19; Mk 16:16; Rom 6:4). (2) Holy Communion (the Lord’s Supper) consisting of the elements – bread and the fruit of the vine – is the symbol expressing our sharing the divine nature of our Lord Jesus Christ (2 Pt 1:40, a memorial of His suffering and death (1 Cor. 11:26), and a prophecy of His second coming (1 Cor. 11:26), and is enjoined on all believers “till He comes!”.

7. WE BELIEVE – The Baptism in the Holy Spirit. All believers are entitled to, and should ardently expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit, and fire, according to the command of our Lord Jesus Christ. This was the normal experience for all in the early Christian church. With it comes the enduement of power for life and service, the bestowment of the gifts and their use in the work of the ministry (Lk 24:49; Acts 1:4; 1 Co. 12:1-31). This experience is distinct from and subsequent to the experience of the new birth (Acts 8:12-17; 10:44-46; 11:14-16; 15:7-9). [1 of 4 cardinal doctrines of the A/G]

8. WE BELIEVE. – The Initial Physical Evidence of the Baptism in the Holy Spirit. The baptism of believers in the Holy Spirit witnessed by the initial physical sign of speaking with other tongues, and is the same in essence as the gift of tongues (1 Cor. 12:4-10, 28), but different in purpose and use.

9. WE BELIEVE. – Sanctification. Sanctification is an act of separation from that which is evil, and of dedication unto God (Rom 12:1, 2; 1 Thess 5:23; Heb 13:12). The Scriptures teach a life of “holiness without which no man shall see the Lord” (Heb 12:14). By the power of the Holy Spirit we are able to obey the command: “Be ye holy, for I am holy.” (1 Pt 1:15-16). Sanctification is realized in the believer by recognizing his identification with Christ in His death and resurrection and by faith reckoning daily upon the fact of that union, and by offering every faculty continually to the dominion of the Holy Spirit (Rom 6:1-11,13; 8:1,2,13; Gal. 2:20; Phil. 2:12,13; 1 Pt 1:5).
10. WE BELIEVE. – **The Church and Her Mission.** The Church is the Body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission. Each believer, born of the Spirit is an integral part of the general assembly and Church of the firstborn, which are written in heaven (Eph. 1:22,23; 2:22; Heb 12:23). WE BELIEVE. – **The Ministry.** A divinely called and scripturally ordained ministry has been provided by our Lord for the threefold purpose of leading the Church in 1) evangelization of the world (Mk 16:15-20); 2) worship of God (Jn 4:23,24); 3) building a body of saints being perfected in the image of His Son (Eph 4:11-16).

11. WE BELIEVE. – **Divine Healing.** Divine healing is an integral part of the Gospel. Deliverance from sickness is provided for in the Atonement, and is the privilege of all believers (Is 53:4,5; Matt 8:16,17; Jam 5:14-16). [1 of 4 cardinal doctrines of the A/G]

12. WE BELIEVE. – **The Blessed Hope.** The resurrection of those who have fallen asleep in Christ and their translation, together with those who are alive and remain unto the coming of the Lord, is the imminent and blessed hope of the Church (1 Thess 4:16,17; Rom 8:23; Titus 2:13; 1 Cor 15:51,52). [1 of 4 cardinal doctrines of the A/G]

13. WE BELIEVE – **The Millennial Reign of Christ.** The second coming of Christ includes the rapture of the saints, which is our blessed hope, followed by the visible return of Christ with His saints to reign on the earth for one thousand years (Zech 14:5; Matt 24:27,30; Rev 1:7; 19:11-14; 20:1-6). This millennial reign will bring the salvation of national Israel (Ezek 37:21,22; Zeph 3:19,20; Rom 11:26,27), and the establishment of universal peace (Isa 11:6-9; Ps 72:3-8; Mic 4:3,4).

14. WE BELIEVE. – **The Final Judgment.** There will be a final judgment in which the wicked dead will be raised and judged according to their works. Whosoever is not found written in the Book of Life, together with the Devil and is angels, the beast and the false prophet, will be consigned to everlasting punishment in the lake which burns with fire and brimstone, which is the second death. (Matt 25:46; Mk 9:43-48; Rev. 19:20; 20:11-5; 21:8).

15. WE BELIEVE. – **The New Heavens and the New Earth.** “We, according to His promise, look for new heavens and a new earth, wherein dwelleth righteousness. (2 Pt 3:13; Rev. 21, 22)

**The Campus**

“I will also make you a light for the nations, that you may bring my salvation to the ends of the earth.” Isaiah 49:6b

**Location**

Northpoint’s campus, located in the historic Bradford section of Haverhill, Massachusetts, is “beautiful for situation” in picturesque and historic New England. Nestled in the Merrimack Valley, just north of Boston, Bradford is near many sites associated with early American history.

One of the first missionaries to leave the shores of America, Adoniram and his wife Ann Hasseltine Judson, were commissioned by the Congregational Church at the Bradford Common, just down the road from Northpoint. The great preacher associated with the Great Awakening, Jonathan Edwards pastored the church in Northampton, Massachusetts and the English revivalist and preacher George Whitefield preached at the Boston Commons during the Great Awakening, these and other great men and women are but a small part of the spiritual fabric of New England.

Plymouth Rock and Plymouth Plantation located in Plymouth, Massachusetts, mark the sites where the Pilgrims landed and settled in 1620; Lexington and Concord, Massachusetts, are the sites of the first battles of the Revolutionary War. Providence, Rhode Island, founded by Roger Williams, is home to the first Baptist church in America. These are just a sampling of what may be found in beautiful New England. The area is rich in early colonial history as well as contemporary American culture.

Boston, the capital of Massachusetts, is only thirty-five miles from the Northpoint campus and it is easily accessibile through public transportation, as is Logan Airport. Boston is a center of medicine, education, history, museums, theatre, sports, shopping, industry, and culture.
CAMPUS FACILITIES
The campus of Northpoint Bible College, located in the Bradford area of Haverhill, Massachusetts, was originally a private, non-profit, co-educational high school, opened in 1803. In 1836, it became Bradford College, a school for young women (Ann Judson and her sisters attended). In 1932, the college became established as a junior college. In 1971 Bradford became a four-year, co-educational, liberal arts college.

After nearly 200 years, Bradford College closed in 2000; in 2007 the campus was purchased for Northpoint Bible College, providing Northpoint with ample educational, administrative and residential space. The campus is comprised of nine buildings on over eighteen acres.

The dormitories were renovated in 2000. In 2008, minor upgrades were made and continue to be made resulting in beautiful living and social areas for our students. The Northpoint Campus is fully fiber-optic and network ready. Wireless networking covers both the dormitories and each of the main buildings on campus. Double, Semi-Private, and Private rooms are available – each room is furnished with a desk, bed, closet, and dresser. Each dorm has laundry facilities, vending machines, a kitchen area on each floor, and a comfortable main lounge. Additional dorms are located in Academy Hall for undergraduates who are seniors and for our graduate students. There are a limited number of married suites.

**STUDENT LIFE**

**SPIRITUAL LIFE**
Northpoint Bible College is a Christian community where students from diverse backgrounds and various nations gather to pursue spiritual and academic goals. Northpoint’s primary objective is to create and support an environment in which every student has ample opportunity to maximize the achievement of these goals. Northpoint’s desire is to foster the personal, spiritual, and academic growth of men and women who are preparing for Christian service.

Students need to cultivate a mature spiritual life that will enable them to serve and to lead with distinction and dedication. The opportunity for each student to experience an ever-deepening relationship with God, thereby becoming a Christ-centered person, is provided through a variety of spiritual activities.

**CHAPEL SERVICES**
One of the highlights of life at Northpoint is the Chapel Service. From Monday through Thursday, students, staff, faculty, and administration join together to seek God, to praise the Lord Jesus Christ, and to experience the ever-present power of the Holy Spirit.

Christian leaders from various areas of the country and the world, our President, and the faculty, participate in these services by bringing forth the Word of God in such a way as to challenge and encourage our students to become the leaders of tomorrow. The variety of ministries presented provides our students with a broad exposure to the heartbeat of ministry taking place around the world.

During these special times, the Holy Spirit moves upon students in a gentle, yet most-powerful way, molding lives and preparing them for the ministry and for the challenges of the Kingdom.
The ecstatic environment provides an atmosphere of holiness, reverence, and awe.

In keeping with Northpoint’s long-standing heritage of maintaining a world-mission emphasis, missionaries from around the world are scheduled to speak in our chapel services. These services focus on the Great Commission that Christ Jesus gave to the Church to, “Go . . . and teach all nations .......” (Matthew 28:19).

**CLASS PRAYERS**
Northpoint’s unique structure permits each class to meet as a group once a month for an hour of corporate prayer. Prayer is foremost at Northpoint and this time allows students to help and encourage one another in the Lord and to pray for particular needs of the class, Northpoint, the Church and the world. A special bonding takes place during these times as classmates minister to one another. Class Prayers provide an excellent opportunity for students to experience the ministry of the Holy Spirit.

**DAYS OF PRAYER AND FASTING**
Prayer and fasting are essential to the Christian’s walk with the Lord; therefore, on six designated days throughout the academic year, the campus family unites together in fasting. Three times each semester the community gathers to pray, read Scriptures, worship, and seek the Father’s will for the College, the Church, the world, and for one’s personal life. The Christian Community at large fasts during its normal activities and sets aside time for prayer, Scripture, reflection and other spiritual disciplines. Prayer transforms lives and fasting focuses one’s being on God. The Days of Fasting and Prayer offer a time for spiritual reflection; many lives have been transformed in amazing ways during these occasions.

**DORMITORY DEVOTIONS**
The dormitories are the student’s home, and the residents of each dormitory become family. Each month, the students in each dorm meet in the evening for a time of devotion. The Resident Directors, along with invited faculty and staff, minister to those in their care, helping each student to draw ever closer to God.

**PERSONAL DEVOTIONS**
Developing a personal relationship with the Lord Jesus Christ is necessary for a life of service. Every student, therefore, for the sake of their personal walk with God and for their preparation for the ministry, must develop a personal and meaningful devotional life. There is no set time or requirement for this, but its importance is stressed. Through such times of personal devotion, the student becomes a Christian of faith, power and love. The Green Prayer Chapel is available for students to meet with God.

**PRAYER CHAPEL**
The Prayer Chapel provides an atmosphere for each student to pray and meditate. At the Prayer Chapel, student, staff, faculty, and visitors come to meet with God, and to pray for their concerns, and the requests that arrive daily.

**STUDENT SERVICES**

**ADVISING**
Students will find willingness on the part of faculty and staff to listen to and encourage them in
times of need. Informal levels of counseling in areas of personal, social, spiritual, and emotional development are available as requested or deemed necessary. Academic advising is provided to all students as a fundamental need. Each student is assigned a faculty advisor who is available to assist in course planning and selections, while addressing the student’s state of progress toward graduation requirements.

Northpoint also offers a unique service of financial advising and planning that is aimed at promoting the highest possible level of stewardship for each student’s resources. Students who need help with their personal budgets and other financial concerns may inquire at the Financial Offices of Northpoint for help in this area. The financial principles they will learn through this service will better equip them for the future.

**CENTER FOR ACADEMIC DEVELOPMENT (CAD)**

In accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act, individual adjustments are facilitated in the Center of Academic Development (CAD) which allows students with learning disabilities to perform the tasks required. Providing an alternative setting that allows extended time enables individuals with disabilities to demonstrate their mastery of the subject matter that is tested. The CAD also provides assistance with assignments, research, formatting, and peer editing through student workers who have demonstrated academic success.

**EMERGENCY CALL BOXES AND SECURITY CAMERAS**

Emergency call boxes are located in all the dorms and throughout the campus. These call boxes connect directly to 911. In addition, security cameras are located throughout the campus and are monitored continuously by security.

**FOOD SERVICES**

Meals are provided for Northpoint students, staff, and faculty in the Dining Commons on a daily basis.

**HEALTH CARE AND STUDENT HEALTH INSURANCE**

Each dormitory is equipped with basic first-aid supplies for immediate response to minor injuries. Should a student need further medical attention, a number of medical facilities are located within a few minutes of the school.

Per the Commonwealth of Massachusetts, all students must have private health insurance. The college provides a group policy for students needing health insurance. Proof of private health insurance is required by, but no later than, the day of registration. Students without proof of private health insurance will automatically be enrolled in the College’s student health group plan and will be charged the current insurance plan fees.

**LAUNDRY FACILITIES**

Gibson Hall, Gallagher Hall, and Academy Hall are equipped with smart washers and dryers activated by electronic payment via cell telephone. Should a student desire or need other services, there are several laundry and dry-cleaning establishments in the vicinity.

**LIBRARY**

Research and reference needs are more than adequately met in the approximately 48,721
volumes housed in Northpoint’s library. Students have access to the four periodical databases Northpoint subscribes to: the ATLA Religion Database™ with ATLASerials™, Religion & Philosophy Collection™, New Testament Abstracts Online, and Old Testament Abstracts Online. These databases include 500 full-text journals and citation information for another 1,200 journals. Also included are 237,000 essay citations, 16,800 multi-author volume citations and 525,000 book review citations. These databases are produced by the American Theological Library Association.

In addition, periodicals, audio tapes, and video tapes number approximately 7,000. Resource materials are available through the internet, which may be accessed at the library. Students of Northpoint also have access to Goddard Library at Gordon Conwell Theological Seminary located approximately thirty-minutes from Northpoint. The Haverhill Public Library is nearby as well.

**Mailroom**
The Mailroom is equipped with standard locked, individualized mailboxes. Each student receives a private mailbox at registration (a key deposit is required). The mailroom, located in the library building, handles both incoming and out-going mail and on-site package delivery.

The Bradford Post Office and the Haverhill Post Office are in close proximity to Northpoint providing more specialized service.

**Transportation**
Northpoint provides ample parking for students having motor vehicles with proper registration and insurance coverage. Realizing the value of ready transportation for work, ministry, and personal use, Northpoint welcomes the use of automobiles when operated with maturity and responsibility. Within a short walking distance from the campus students have access to bus service, as well as Amtrak and the Commuter Rail which provides service to Boston to the South and Maine to the North.

**Wireless Connection**
WiFi is available throughout the campus.
COMMUNITY LIVING

COLLEGE ORIENTATION
In order to facilitate a timely and smooth transition into campus and dormitory life, new students are provided with an extensive orientation. During the first few days of each semester, policies and procedures relating to all phases of campus life are addressed in a public forum, with all incoming students present. At this time, each student receives an electronic copy of the Student Handbook, Northpoint Writing Standard, and the Library Handbook. In addition, each new student is provided with information useful in acquainting him/herself with the Haverhill/Boston area.

RESIDENTIAL LIVING
Students have the convenience of on-campus living, giving them many opportunities for fellowship and growth in a supportive Christian environment. Northpoint is committed to the maintenance of a family atmosphere in its residential life. Residential living is designed to maximize opportunities for study, relaxation, and interpersonal relationships. The Resident Directors seek to preserve a positive living environment in as home-like a manner as possible. Dorm rooms provide individualized study space, bed, closets, and storage areas. Shower and restroom facilities are conveniently located in the halls.

Northpoint works to provide living accommodations which are comfortable, secure, and well-maintained. The security of the residential halls and the campus-at-large is a major priority of the College. For the sake of safety and the well-being of every individual, the campus Security staff remains on duty each hour of the day and maintains readiness to be of assistance. Security lighting and electronic key-entry add to the security of the campus.

PRIVACY OF INFORMATION
Under the Family Educational Rights and Privacy Act of 1974, the following types of information may be made public unless the student desires to withhold all or any portion of it: Information for school directory (this includes name, address, telephone number, major fields of study, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance and degrees and awards received), information needed by school officials within the College, information requested by officials of other schools to which the student is seeking admission, information requested by Federal or State educational authorities, information needed in connection with the receipt of financial aid, information released pursuant to state law or subpoena, information requested by accrediting organizations, and information requested by parents of dependent students.

Any student wishing to withhold any or all of this information should fill out, in person, the appropriate form that is available at the Office of the Registrar. Additionally, all requests for information by persons other than the student will not be released without written authority from the student. Exception: Parents of students under the age of 18 may have access to the student’s file provided that the appropriate Release of Records form is filed.

RELATIONSHIPS AND CHRISTIAN MATURETY
Northpoint’s unique design of campus life provides many opportunities for one to mature spiritually. A minister needs to understand his/her own heart in order to minister to the variety of people in the world. At Northpoint, many different personalities and cultures are represented. When so many differences are found in one area over an extended period of time, conflicts may
arise within one’s soul, exposing heart attitudes and inner struggles. It is during these times that the Holy Spirit ministers healing by strengthening and fashioning the inner person. It is important for each student to learn who he/she is in Christ and how to deal with and minister to others. In this regard, therefore, differences in personality, background, and culture are viewed as opportunities for spiritual growth.

**SOCIAL ASPECTS**
Throughout the year, classes enjoy breakfast fellowships, parties, and class trips. All campus festivities include the annual Christmas dinner and party, a semi-formal Senior Banquet held in honor of the graduating class, the Baccalaureate Service followed by the Alumni Luncheon and the Commencement exercises.

Being so centrally located on the North Shore of Boston, students can travel easily by car or commuter rail to Boston and take in its history. There is a myriad of historical sites students can visit in the Boston area (where Jonathan Edwards ministered to thousands), Providence area (where the first Baptist Church in the United States of America was founded and still stands), and the Newport area (where George Whitefield began his preaching ministry during the First Great Awakening).

The beautiful and extensive coastline and waterways of Massachusetts, New Hampshire and Maine, along with many parks and recreation areas, make it possible for students to enjoy pleasant times of leisure and relaxation off-campus. Located within minutes of the campus, for example, is Newburyport, rated the number two destination in New England by the New York Times; neighboring Plum Island is world famous as a natural history destination. One can spend the day whale watching, bird watching, browsing the quaint downtown shops, or enjoying one of the many waterfront concerts.

**STANDARDS OF CONDUCT**
Although it is sometimes difficult to measure non-academic growth and development, Northpoint places much value on ethical, moral, interpersonal, and attitudinal behaviors. Northpoint believes that Christian leaders must exhibit the highest standards of personal conduct at all times. The awarding of certificates and degrees reflects more than academic achievement; spiritual maturity and personal integrity are reflected as well.

Northpoint has established a framework of guidelines and regulations which require cooperation and self-discipline on the part of each student. Spiritual guidelines for students at Northpoint Bible College are purposefully high. They could not be otherwise for a College that is committed to following biblical principles. Northpoint realizes that spirituality cannot be forced on anyone, however, the College does expect the student to be amenable to counsel and guidance. A consistent, personal devotional life, along with the faithful fulfillment of responsibilities, is a prerequisite to spiritual growth. Northpoint seeks to help the student cultivate personal habits that will bring honor to the name of the Lord Jesus Christ. The College has the responsibility, under God, to maintain school behavioral standards that are above reproach. There are certain specific practices considered to be hindrances to one’s spiritual growth and development. The Northpoint *Student Handbook* presents specific expectations regarding student behavior. As per the *Student Handbook*, all students must sign the Code of Conduct.

A student enrolling at Northpoint Bible College indicates his/her readiness to accept the requirements that Christian leadership demands. This is exemplified by one’s pattern of dress, personal appearance, speech, and general behavior. Northpoint expects its students to be neat and
appropriate at all times; in classrooms, the Student Union, the Dining Common, the dorms, gymnasiu
m, and any off-campus events. The standards concerning student behavior are set forth in detail in the Student Handbook. Counseling in these areas is available through the Office of Student Affairs, as well as through faculty advisors.

ORGANIZATIONS

ALUMNI ASSOCIATION
Membership: Northpoint Graduates and students who have completed one or more years.

Northpoint is blessed by the tireless ministry of its Alumni Association. Throughout the years, this organization has continued to broaden its commitment and service to the college, the students, and its graduates. Every quarter there is an executive board meeting of the Association on campus. At these times, the Board ministers in chapel services, meets with graduating seniors, and encourages the student body. The Alumni are an integral part of Northpoint life and ministry.

Graduates of Northpoint are found all over the world. In homes, offices, pastorates, mission fields, and in every walk of life, they are spreading the Gospel of Jesus Christ. Every graduate of Northpoint Bible College is, and will always remain, a vital part of the college and its vision.

CLASS STRUCTURE
Each class is organized and headed by a class advisor, who is appointed by the President’s Cabinet to guide the class until it graduates. Each class elects three officers (president, vice-president, secretary, treasurer and communications) at the end of their first year and reaffirms their election once each following year. The officers lead the class and help each student realize his/her full potential. The monthly Class Prayers, along with class parties and social functions, contribute to a well-balanced spiritual, social, and psychological development within the student. Through these various functions, the students develop lifelong friendships as well.

INTERCULTURAL MINISTRY AND IMMERSION CLUB
The Intercultural Ministry and Immersion Club (IMIC) serves to immerse Northpoint students in intercultural ministry and to expose students to the practical process of reaching a lost and dying world. The goal of the IMIC is to foster a great awareness of the cost, the opportunity, and the reward of fulfilling the Great Commission as outlined in Matthew 28:16-20. IMIC hosts events such as prayer meetings, international food nights, workshops, and community outreach. They also raise awareness about mission trip opportunities for Northpoint students.

INTERNATIONAL STUDENT FELLOWSHIP
The International Student Fellowship exists as a ministry to students who come to Northpoint from other countries whose cultures, and often languages, are different from those of the United States. The International Student Fellowship offers orientation that helps to ease the stresses of assimilating into a new culture, while providing them with a sense of belonging through fellowship with others of like experience.

MARRIED STUDENT FELLOWSHIP
The Married Student Fellowship was formed to provide support and fellowship for all married students. Much sacrifice is often involved in answering God’s call as a married student;

33
therefore, activities, fellowship, prayer, and mutual encouragement through the Married Student Fellowship serve to strengthen the student in his/her adjustment.

**STUDENT COUNCIL**
The Student Council is an excellent opportunity for students to develop leadership skills while serving the student body at large. This body of student leaders is comprised of Class Officers and an Executive Council (president, vice president, secretary, treasurer, and communications). The chief responsibility of the Student Council is for students to connect socially by providing many events both on and off-campus.

**THE YEARBOOK – “VANTAGE POINT”**
The college yearbook, Vantage Point, is the annual pictorial publication of the College. The yearbook staff is chosen to organize, formulate, and present a literary and pictorial reconstruction of the year’s events. Opportunities for work on the project are extended to all students.

**STUDENT MINISTRIES**
Much is learned in the classroom, but practical ministry is of utmost importance at Northpoint as well. People have different interests and talents; therefore, a variety of ministry opportunities are available. The purpose of each, however, is to train students for the caring, sharing, and serving roles of the minister of the Gospel.

**CHAPEL**
Student participation in the Chapel Services is another exciting aspect of Northpoint’s program. Chapel services provide extensive opportunities for vocalists, instrumentalists, and worship leaders to serve. Students may also participate in the media team. The time invested in Chapel helps students discover and nurture their gifts and talents as they seek to edify the Body of Christ.

**CHRISTIAN SERVICE & INTERNSHIP**
The purpose of Christian Service and Internship is to prepare students for excellent Pentecostal ministry in fulfillment of the Great Commission. This is completed through hands-on ministry training in a real-world context by participating with qualified ministers in a mentoring relationship. This serves as a framework for an apprenticeship that allows students to be exposed to the workings of the local church, or the mission field in addition to the functions of their specific areas of study. In this context, all underclassmen will participate in Christian Service and all seniors will complete Servant Leadership: Internship and Theology of Work.

**CLASS PRAYER**
The monthly class prayers are a time when classes meet with their advisor and officers for a time of prayer and worship. Class prayers provide students with the opportunity to give testimonies, pray for others, lead in worship, and minister to their own classmates. Class officers conduct the prayers in conjunction with fellow classmates who are scheduled to assist in these services.

**LEADERSHIP OPPORTUNITIES**
Various student organizations, including the Student Missions Committee, Student Council, Class Officers, and traveling ministry teams (Dwelling Place and recruitment teams), present excellent opportunities for students to be involved in leadership.
**MUSIC**
Throughout the year, vocal groups from Northpoint engage in ministry throughout the New England region and beyond. These groups are in demand throughout the year for weekend, holiday, and summer ministry opportunities, providing an excellent opportunity for students. These ministries have blessed, encouraged, and edified many. There are also opportunities for students to be involved in chapel worship teams. Whether it be on stage, behind the scenes, or as technological support.

**OUTREACH MINISTRIES**
The Outreach Ministry teams offer opportunities for students to experience God’s faithfulness in a variety of settings. Each ministry focuses on a particular audience which enables students to share the gospel meaningfully, from street teams, soup kitchens, to neighborhood children’s ministries.

The Street Witnessing team, under its directors, goes into the streets of Haverhill, to present Christ. The Street Witnessing team introduces the student to the various problems and burdens people face, and then teaches the student to minister accordingly. The multitudinous objections one often encounters when witnessing helps the student to refine his/her testimony and to learn how to give a defense of the Gospel. Street witnessing provides the opportunity to share the Gospel in both word and deed.

**SHORT-TERM MISSIONS**
Northpoint Bible College arranges and conducts various short-term mission trips both to national and international areas of ministry. These trips are very beneficial to the prospective minister of the Gospel. During these trips, personal testimonies of God’s faithfulness are actualized, and the experience of seeing the manifestation of God’s plan inspires, motivates, and edifies the student-participant.

**Seminary Entrance Paths**

There are three paths of entrance into the Master of Arts in Practical Theology program.

**Path One**

This path focuses on adult education. The program participants will be at least 30 years-old with at least 10 years of ministry experience. Ministry experience is defined as being a lead pastor, associate pastor, leadership in a church ministry such as (children, youth, men, women, discipleship, board etc. and it must be significant leadership experience) or in a parachurch ministry.

Students will be required to submit their application with the following for enrollment consideration: transcripts for any undergraduate or Bible Institute/SOM work, provide one pastoral reference and fully complete the Seminary application.

Since most of the program participants have not earned a bachelor’s degree, the student will need to successfully achieve at least a 2.7 or B- grade point in each of the following 6 courses before full admittance status is given into the Master of Arts program:

- **Preparing for Academic Success** (this is a non-credit course with a minimum of 80 contact hours including 20 hours of seat time)
- **Basic Systematic Theology Class** (this is a non-credit course with a minimum of 80 contact hours including 20 hours of seat time)
- **Theological Thinking, Research and Writing** (this is a 3-credit transferable course, comprising the normal seminary course length requirements of 160-170 contact hours including 20 hours of seat time)
- **Old Testament Survey** (this is a 3-credit transferable course, comprising the normal
seminary course length requirements of 160-170 contact hours including 20 hours of seat time)

- **Spiritual Theology, Spiritual Formation for Pentecostals** (this is a 3-credit transferable course, comprising the normal seminary course length requirements of 160-170 contact hours including 20 hours of seat time)

After successfully completing the above six courses, as defined above, the student will earn full matriculation into the Master of Arts in Practical Theology Program. To earn the degree in their chosen concentration, the student must successfully complete the remaining thirty-six hours and earn an overall grade point average of 2.7.

**PATH TWO**

If a student applies to Northpoint Bible College and Seminary who has a three-year diploma from a Bible Institute or a bachelor’s degree from a four-year “college” whose accreditation is not recognized by the Council of Higher Education Association (CHEA) the student will be allowed to apply for and be accepted into the Master of Arts program upon completion of the following:

- Meets the minimum overall undergraduate required grade point average of 2.7. If a student does not have a 2.7 overall grade point average the Chief Academic Officer of the Institution may, at his/her discretion, allow the student to enter the program on academic probation. The requirement to be off academic probation is to earn a 2.7 grade or higher in the first two courses taken.
- Take the Northpoint Bible College and Seminary Bible and Theology Admissions Exam and pass with a minimum score of seventy percent (70%). If a student does not earn a seventy percent, the student may be allowed to retake the exam or after the faculty review the exam take an undergraduate course in the area the student needs remedial help. The student can take the undergraduate course simultaneously as he/she is taking seminary courses.
- Submit a formal academic paper of twelve (12) to fifteen (15) pages to be graded independently by two (2) different professors and earn a score of at least seventy percent (70%) based off a published rubric. The goal of this paper is to demonstrate thought process and the ability to write.

Because the student is coming from either a three-year institution or an institution whose accreditation is not recognized by CHEA, the student will not qualify for advanced standing. The student is required to complete the entire forty-eight (48) hour program.
**Path Three**

A student qualifies for admittance to the Seminary with an earned bachelor’s degree from a Council of Higher Education Association (CHEA) Institution the with an overall grade point average of 2.7.

If a student does not have a 2.7 overall grade point average the Chief Academic Officer of the Institution may, at his/her discretion, allow the student to enter the program on academic probation. The requirement to be off academic probation is to earn a 2.7 grade or higher in the first two courses taken.

If the student’s degree is from a Bible college or similar institution, and their overall grade point average is 2.7 the student automatically qualifies for twelve (12) hours of advanced standing. The advanced standing courses are Old Testament Survey, New Testament Survey, Hermeneutics, and Unity of the Bible.

If a student’s degree is from a liberal arts college with a minor in biblical studies the student can qualify for twelve hours of advanced standing if hermeneutics and one additional course each in Old Testament and New Testament and one theology course is part of the minor and the student earned a 2.7 on those courses.

ACADEMIC INFORMATION

ACADEMIC PROGRAMS OFFERED
- One Year Certificate
- Associate in Arts in Bible and Theology with a Concentration
- Bachelor of Arts in Biblical Studies with a Vocational Major
- Master of Arts in Practical Theology (see Graduate Program section)

FIRST MAJOR
All bachelor program students receive a Bachelor of Arts in Biblical Studies. Students choose their second major in their chosen field of ministry (vocation) at the completion of their first year of studies.

SECOND MAJORS
Students in the bachelor program are expected to pursue their second major in their chosen field of ministry (vocation) from their sophomore year onward. If a change in the second major is desired, the student must complete and submit a “Change in Major” form to the Office of the Chief Academic Officer/Provost. It should be noted that courses taken in the initial second major possibly may not be transferable to the new second major, thus necessitating the student taking more than the required credits for graduation. Second majors are offered in Pastoral Ministry, Intercultural Ministry, Children and Family Ministry, Student Ministry, Worship Arts Ministry, Ministry Leadership and Evangelism.

GRADUATION REQUIREMENTS
The eligibility of students for graduation is determined based on the following academic qualifications and personal responsibility of the student.

1. **FOR THE BACCALAUREATE DEGREE:** Graduation requires the completion of 123 prescribed semester hours in the student’s course of study (*except for students in the Worship Arts Ministry major who will require 127 academic credits to complete their course of study*). All graduates from the Bachelor of Arts degree program require a cumulative grade point average of 2.0 or higher. Graduation will also be based upon the successful completion of all required First and Second major courses.

2. **FOR THE ASSOCIATE IN ARTS DEGREE:** Completion of the 62 prescribed semester hours of academic credit in with a cumulative grade point average of 2.0 or higher. Students matriculating into this program will graduate with the AA degree at the completion of the program regardless of whether the student transfers into the Baccalaureate program at a later time.

3. **TRANSFER CREDITS:** Students should request an official transcript from all colleges he/she attended. The official transcript from a CHEA accredited college or university should be submitted to the Office of the Registrar at the time of application. Only courses in which a grade of C or better was earned will be considered. Once the transcript is evaluated the student will be notified, as will the Financial Aid office, to the number of credits being transferred into Northpoint. Only credits that go toward a student’s program will be transferred. To graduate from Northpoint Bible College with any of the above programs the student must complete the last 30 hours of study at Northpoint Bible College.

4. **GRADUATION CEREMONY PARTICIPATION:** Graduating seniors in the BA program may
participate in Commencement provided they have completed 117 credits (121) credits for those majoring in Worship Arts Ministry) toward their degree with no more than six credits outstanding, and have received permission from the Chief Academic Officer/Provost. In either case, the one to six outstanding credits must be completed during the summer session of the graduating year. Seniors who have more than six credits owing at the end of the spring semester will need to re-enroll for the fall semester and will be considered a December graduate; he/she will participate in the Commencement exercises the following spring. Associate in Arts and One Year Certificate students may walk if all credits are complete.

1. Students must demonstrate doctrinal understanding of the beliefs held and taught by Northpoint Bible College and the General Council of the Assemblies of God.

2. Students must demonstrate Christ-like character and should consistently exemplify integrity, honesty, and morality above reproach.

3. The Faculty and the Board of Trustees must approve the student as a candidate for a degree.

4. All financial and academic obligations must be met before any degree, certificate, transcript, or reference letter will be released by Northpoint Bible College.

ACADEMIC ADVISORS
All full-time, on-campus students are assigned an academic advisor. Academic Advisors are available to pray with, counsel, and encourage the student. Students are to meet with their advisor during scheduling to discuss their courses. Students should meet with their advisor several times over the course of a semester.

ACADEMIC LOAD
The normal academic load is fifteen (15) hours per semester. Upperclassmen with sufficient scholastic standing may enroll in additional credit hours at the discretion and approval of the Chief Academic Officer/Provost. Any request to enroll in more than eighteen credits must have special permission in writing from the Chief Academic Officer/Provost. Students on academic probation are limited to twelve (12) credit hours.

CREDIT HOURS
According to the Higher Learning Commission’s policy number FDCR.A.10.020, a credit hour is:

an amount of work represented in intended learning objectives and verified by evidence of student achievement that is an institutionally-established equivalency that reasonably approximates not less than:

(1) one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or (2) at least an equivalent amount of work as required in paragraph (1) of this definition for other activities as established by an institution, including laboratory work, internships, practica, studio work, and other academic work leading toward to the award of credit hours. 34CFR 600.2 (11/1/2010)

4. Students may not attempt credit for a CLEP examination for a course in which a failing grade has been earned at any educational institution.
5. Students who enter Northpoint with credit by exam scores are required to officially declare and submit any CLEP examination scores within the first year of matriculation. Students are not eligible to earn CLEP credit by examination if they have earned more than 30 credit hours.
6. Credit will be posted after student officially matriculates and official CLEP scores have been received. Students are not eligible to earn CLEP credit by examination if they have earned more than 30 credit hours.

*with the following restrictions:

a) the course (or its equivalent) has not been previously attempted at Northpoint Bible College or another institution. Attempted is defined as being enrolled in the course long enough to show up on the student’s transcript
b) the student has not already earned credit for a more advanced course in the same subject area
c) the student has not already received a grade for the course or course equivalent

Credit from Other Institutions

Students should request an official transcript from all colleges he/she attended. The official transcript from a CHEA accredited college or university should be submitted to the Office of the Registrar at the time of application. Only courses in which a grade of C or better was earned will be considered. Once the transcript is evaluated the student will be notified, as will the Financial Aid office, as to the number of credits being transferred into Northpoint. Only credits that go toward a student’s program will be transferred. Students must complete their last thirty (30) hours of credits through Northpoint in order to graduate with a degree or certificate. No transfer credits will be considered for courses taken at another institution once the student has matriculated into Northpoint.

Life Credit

Credit for life experience is evaluated on an individual basis. Students must demonstrate through substantial documentation that they have fulfilled the objectives and course description included in the course syllabus. A minimum of ten (10) years of full-time ministry experience is required.
to be considered for life experience credit. Students will be charged $250 for each life experience course. The Chief Academic Officer/Provost reviews and awards all life experience credits. The CAO may assign a divisional chair to review a portfolio.

Students will be given a syllabus for the course. The student and reviewer will go through the syllabus to ensure that the student understands the course objectives. The reviewer will give examples of how each objective can be met. The student is required to submit a narrative stating how, over the course of their life, the specific objective has been met. The student will then submit substantial documentation demonstrating the objective was met.

Once a portfolio is submitted and reviewed, if the portfolio does not demonstrate a course objective has been fully met, the individual reviewing the portfolio will work with the student until the specific objective(s) is (area) fully met.

Military Credits
Credits earned by military personnel will be examined on an individual basis. The content of prior educational experience will be evaluated to determine how it correlates with the Institution’s academic program and objectives and whether the training is equivalent to the course descriptions in the student’s program at the Institution.

SONIS
Upon registration, the IT Office will provide students with their login and password information to the SONIS website. This site is available from the college’s home website page and provides the student with access to his/her schedule, attendance, grades, and course requirements sheet.

Grading
All written and oral class work is evaluated according to the grading system described below. A passing grade in each subject is 60 percent.

Grade Points. In order to graduate, a student must earn a sufficient number of grade points to equal twice the number of semester credit hours attempted. A student’s grade point average (GPA) is computed by dividing the number of grade points earned by the number of semester hours attempted. A cumulative average of two grade points (2.0) per semester hour is necessary for graduation.

Change of Grade. It is the student’s responsibility to retain all assignments, quizzes, and exams until final grades have been posted in the event an error in calculating or reporting a grade has been made. In the case of such an error, the student should immediately present his/her case to the professor. If warranted, the professor will then initiate a change of grade in the Office of the Registrar. The deadline for a grade change request is six weeks after the close of a semester. The Chief Academic Officer/Provost must approve all change of grades. Throughout the semester, students should be checking Canvas for individual assignment/exam grades. However, official final grades and attendance can be found through the college website under the student login link to Sonis.

Once the course has been retaken the original Failure will be marked as “F*” and will remain on the transcript but will NOT affect the student’s G.P.A. It will, however be used in calculating Satisfactory Academic Progress.
** An INCOMPLETE grade is given when a student, due to illness or an emergency situation beyond his/her control, is unable to complete his/her final project or final exam before the end of the semester. Work must be turned in within two months from the close of the semester; otherwise, the student will receive a failure “F” for the incomplete work. The final grade will be adjusted according to the average of the course work and the final “0” grade. Please see the section “LATE WORK” for policy and procedure.
*** Permission to AUDIT a course must be submitted in writing to the Dean of Academics.

### STUDENT CLASSIFICATION

#### CLASS PRAYERS/FINANCIAL AID

Northpoint Bible College is a community and as such, each student attends class prayers on a monthly basis. Determination of class prayer assignment is based on the number of credit hours the student has earned in their program at or transferred into Northpoint at the beginning of each academic year.

Below are the student classifications for those who matriculated prior to the Fall of 2021:

- **Freshman (First Year)**: Credit Hours Completed: 0 to 27
- **Sophomore (Second Year)**: Credit Hours Completed: 28 to 56
- **Junior (Third Year)**: Credit Hours Completed: 57 to 86
- **Senior (Fourth Year)**: Credit Hours Completed: 87+

For those students who matriculate beginning with the Fall of 2022, the classification is as follows:

- **Freshman (First Year)**: Credit Hours Completed: 0-29
- **Sophomore (Second Year)**: Credit Hours Completed: 30-59
- **Junior (Third Year)**: Credit Hours Completed: 60-89
- **Senior (Fourth Year)**: Credit Hours Completed: 90+

#### TRANSFER STUDENTS

Transfer students are classified according to the number of credit hours transferred into the transfer student’s chosen program at Northpoint. Previously earned college credits transfer into
Northpoint’s program. In order to receive a degree from Northpoint, students must have the prescribed credit hours for each program that corresponds to Northpoint’s curriculum. Transfer students are placed in class prayers based upon the number of accepted credit hours transferred into Northpoint’s curriculum. All transfer credits are calculated in determining a student’s Satisfactory Academic Progress (SAP) which determines financial aid eligibility.

**TRAVEL AND ATHLETIC TEAMS**

Students should consider it an honor and privilege to represent Northpoint on a traveling ministry or sports team. At all events students should remember they are representing not just Northpoint but Christ. Reflecting the character of Christ is to be the student’s highest priority. All freshmen are eligible to participate on a Northpoint traveling ministry or sports team. Eligibility is based on grades and the approval of the appropriate committee, faculty members or coach. The President’s Cabinet gives final approval to all members of all teams. The minimum grade point average for eligibility is a 2.0 for the previous semester. Freshmen and incoming transfer student grade eligibility will be based on their prior high school/college cumulative grade point average. While the minimum grade point average to participate is a 2.0, if a ministry team member or athlete has a grade point average between 2.0 and 2.3, they will be considered at risk. These students will be required to submit a weekly check that all assignments and tests have been submitted/taken in all classes and that the course numerical grade is above a 72. Students will be provided a form which needs to be initialed by each professor on a weekly basis. The form is to be turned into the appropriate faculty member or coach on Friday of each week. It is the responsibility of the student to ensure the form is turned in. A consequence of not turning in the form could be ineligibility for the next week. All other traveling team members or athletes will have their grades checked at midterms.

**ACADEMIC AND CHAPEL PROBATION**

Students must maintain a minimum average of “C” or 2.0 on the grade point scale each semester. **Academic Probation:** When a student falls below the minimum for a semester, he/she is placed on academic probation for the following semester. The Office of the Chief Academic Officer/Provost will notify the student of his/her academic status. It is the College’s desire that the student endeavor to raise his/her grades to a satisfactory level. For this purpose, a graduated three-semester plan has been instituted.

In the first semester of academic probation status, the student will take on these parameters:

- Credits reduced to 12 hours
- No traveling ministry teams (including recruiting teams)
- Weekly meetings with the student’s academic advisor for the purpose of academic coaching and accountability
- Counseling, if necessary

In the second semester of academic probation status, the student will take on these parameters:

- Credits reduced to 12 hours
- No ministry teams (including Resident Assistants, Student Council, Class Officers, Weekly Chapel Teams, etc.)
- Weekly meetings with the student’s academic advisor for the purpose of academic coaching and accountability
- Required 6 hours of Library/CAD time weekly
- No class or chapel absences allowed (absences will only be allowed for sickness, for which
In the third semester of academic probation status, the student will take on these parameters:

- Credits reduced to 12 hours
- No ministry teams (including Resident Assistants, Student Council, Class Officers, Weekly Chapel Team, etc)
- Weekly meetings with the student’s academic advisor for the purpose of academic coaching and accountability
- Required 12 hours of Library/CAD time weekly
- No class or chapel absences allowed (absences will only be allowed for sickness, for which a sick note must be submitted to the Chief Academic Officer’s office)
- Mandatory study group attendance (if one is available)
- No ministry involvement (including off-campus ministries and internships)
- Counseling, if necessary
- Additional recommendations may be added

This three-semester system is not consecutive. For instance, if a student comes off of their first semester of academic probation, has a semester not on probation, but then goes back on probation the next semester, that student will pick up where they left off in this three-semester progression.

Each student’s progress will be assessed at the end of each semester that student is on probation. If a student is on academic probation for three consecutive semesters, they will automatically be required to take a one-semester suspension from school.

**CHAPEL PROBATION:** Additionally, students are allowed ten (10) chapel cuts. If a student exceeds the maximum allowed chapel cuts, he/she will be placed on chapel probation for the upcoming semester. Students on chapel probation will have their extracurricular and ministry team activities limited, as well as having assigned seating in the front row of chapel in the following semester.

**ACADEMIC POLICIES AND PROCEDURES**

**ADD/DROP COURSES**

Courses are arranged according to a block schedule. Students should seek the advice of their Academic Advisor before requesting to drop or add courses. The College has designed each class schedule to allow students to graduate with a Baccalaureate degree in a four-year period and the Associate degree in a two-year period. Deviating from the class schedule could add additional semesters to one’s course of study. At no time can a Core class be dropped for an elective.

During the first three weeks of the semester the student, with the advice of his/her Academic Advisor and the approval of the Chief Academic Officer/Provost, may adjust his/her schedule by adding or dropping courses. Elective courses must be dropped before Core and second major courses. Students must complete an official Add/Drop form, available at the Registrar’s Office.

A **$10.00 fee will be charged to the student’s account for every approved course added to or dropped from his/her schedule.**

Students are to continue to attend the class they are dropping until they have received official notification from the Office of the Registrar that permission has been granted to drop said course. Students are not to attend an added class until notified the course added has been approved.
Students can check the status of their request on SONIS – if a class has been dropped it will no longer appear on the schedule, if added it will appear on the schedule. A course dropped with approval within the first three weeks of a semester will result in that course being permanently deleted from the student’s schedule and transcript.

After the three week add/drop period the student must fill out a “Withdrawal from Class” form if he/she wants to withdraw from a class. The form is available in the Registrar’s Office and requires the approval of the Chief Academic Officer/Provost. Again, the student is to attend the class until officially withdrawn.

Approved withdrawal from a course after the three-week period will have a grade of either WP (withdraw passing) or a WF (withdraw failing) dependent upon the student’s overall grade at the time of withdrawal. Should no grades be recorded at the time of withdrawal, then a grade of W will be reflected. A withdrawal grade appears on the student’s transcript, it does not affect the student’s GPA; however, it does affect the completion rate for Satisfactory Academic Progress in determining financial aid.

Courses added after the first week of the semester will receive a prorated number of “cuts.” (See “Class Attendance Policy” and “Prorated Absences for Added Courses”).

**Attendance Policy**

**Class Attendance**

Students are expected to attend all class periods. The only **excused** absence granted is for school-sponsored activities where the student is requested to attend. An absence from class for any reason will be recorded as a class absence. (See Absence Due to School Business section below). Absences are recorded for every credit hour missed. The student should reserve all absences to accommodate sickness and emergencies. (See Maximum Allowed Absences/Penalties below).

1. **Maximum Allowed Absences/Penalties**

To allow for those times when a student is sick, in an accident, or has an emergency, the school allows students to take a cut without jeopardizing their grade, provided they do not over-cut (see the table below). For each class, the student is allowed a maximum number of absences, depending upon the credit hours of the course. The following chart shows the maximum allowed absence(s) and the penalty for excessive absences. When a student is absent from a class that meets for two or more consecutive hours, the student will receive an additional absence, (i.e. a three-credit course meeting back-to-back the student would receive 5 allowable absences). NOTE: A student cannot miss more than 10 minutes of a class session to be considered present. If a student arrives 10 minutes or more late to class or leaves class with more than 10 minutes remaining, the student will be marked absent.

| 1-credit course | 1 absence | Allowed | 2 absences | 1 letter grade |
emergency. Class sessions missed later due to illness could put the total number of absences in excess of the maximum allowed, resulting in a grade penalty or failure of the course.

2. Absences Due to College Business

Attendance records will be sent to the Office of the Registrar on a weekly basis. When a student is absent due to college business, which was the request of the College and approved by the Chief Academic Officer/Provost, this is considered an excused absence. The student’s attendance records will be adjusted accordingly at the end of the semester.

3. School Breaks (Double Cuts)

The College establishes a schedule of breaks. Students leaving early for or returning late from any school break will incur a “double cut” for each class period missed.

4. Absence Memo

The Office of the Registrar will send a memo to all students whose name is not on the roster for a particular class. The student must go to the Office of the Registrar and verify that they are indeed registered for that course. Students whose attendance is never verified as enrolled in a specific course will not receive credit for that course. Likewise, a student whose name appears on a class roster that they do not attend must report to the Office of the Registrar and remove him or herself from the course. Failure to respond to the memo and correct the situation will result in a grade of “F” for the course, as well as any tuition charges that may be incurred. Students in both these situations will receive a memo from the Office of the Registrar advising them of this situation.

5. Tardiness

Students arriving late to class will be marked tardy, which is equivalent to 1/3 of an absence. Three tardy marks convert into one absence. A student is considered tardy when he/she arrives one to ten minutes after the starting time of class. Arrival to class later than ten minutes is an automatic absence for the class session. Leaving a class early without the permission of the professor will be counted as an absence. (Refer to the above section: Maximum Absences/Penalties.)

Note: Students are responsible to keep a personal record of absences and tardies taken, and therefore remain aware of absences and/or tardies charged to their account. Class notes should be dated for each session; this will aid in establishing a student’s presence in class.
6. Personal Absences

Whenever a student must leave campus due to a wedding, funeral, or other reason, which necessitates him/her missing class or chapel, he/she must complete a “Student Request Form” obtainable in the Office of the Dean of Students. The completed form will be sent to the Office of the Chief Academic Officer/Provost for appropriate approval and signatures. The student should remember that all cuts are calculated into the allowed cut schedule noted above, including these approved requests, and therefore should use caution in taking allotted cuts to allow for potential illness.

Attendance at Baccalaureate and Commencement

Commencement exercises are an integral part of the training offered at Northpoint Bible College and of the NPBC community; and therefore, it is expected that every student attend the baccalaureate service and commencement exercises. The spring semester does not officially end until the conclusion of the graduation ceremony. If a valid situation arises that prevents a student from being able to attend, he/she must submit a written statement to the Chief Academic Officer/Provost at least two weeks prior to the events.

Attire

Classroom Attire

Students are to dress appropriately for the classroom and chapel. (See Dress Code in the Student Handbook) Students arriving to class dressed improperly will be asked to leave the classroom to change. They will incur an absence.

Platform Attire

Platform attire is “business casual.” Students involved in platform ministry (worship team, reading scripture, prayer, etc.) are to wear business or business casual; no jeans or pants that resemble jeans.

Business casual is khaki pants, slacks, skirts as well as short sleeved polo shirts with collars, long sleeve shirts, dress shoes and excludes jeans, tight or short skirts, tight fitting pants, and sweatshirts.

Baccalaureate and Commencement Attire

All students and graduates should wear semi-formal attire: Men should wear a coat and tie; women should wear a pantsuit, dress, or skirt and blouse. Dress shoes for both men and women are required.

Classroom Assignments

All coursework is to be submitted to Canvas.

All research papers are to use Turabian format. Students are to purchase the Turabian 9th Edition book by Kate Turabian and adhere to both it and the Northpoint Writing Standard. All work is to be turned in on the due date as specified in Canvas. Assignments turned in late will be subject to the Late Paper Policy (see “Late Paper Policy” below). The acceptance of and/or grade deduction for all late course work excluding major projects and formal papers is left to the discretion of the individual professor. The professor’s policy is to be published in the course syllabus.

For an extension on special projects and major papers, please see “Extension Policy” below.

Major Paper/Project Extension Policy

Extensions will only be granted for the following four reasons: 1) hospitalization for illness. A
doctor’s note confirming such is required; 2) extended serious illness that prevents a student from attending class. This requires a doctor’s note and signature of verification from the student’s Resident Director; 3) funerals or family emergencies granted as an approved absence by the Chief Academic Officer/Provost and Dean of Students; 4) college-approved activities. If the student meets one of these exceptions, a “Request for Extension Form” must be filled out one week in advance of the due date. The form can be obtained from the Registrar’s Office. The “Request for Extension” form should then be presented by the student to the Office of the Chief Academic Officer/Provost for the Dean’s signature. The CAO’s office will forward the form to the professor. Once the form is forwarded to the Office of the Registrar a copy will be sent to the student. The student is to turn in all approved extension work to the professor by the extension due date indicated on the extension form. Failure to turn in a paper or project by the extended due date will result in a grade of “0” for the paper or project.

LATE PAPER POLICY
When a student does not qualify for, or has been denied an extension, he/she may still turn in the paper or project up to five (5) days late via Canvas; however, a grade penalty will be applied. All late papers and projects turned in after the start of the period on the due date will receive an automatic five-point (5) deduction. For each twenty-four hour period (including Saturdays, Sundays and school breaks) that the paper/project is not turned in, another five points (5) will be deducted. If the paper is not submitted within five twenty-four hour periods after the due date and time, an automatic score of zero (0) will be entered for the grade with no chance of making up the paper.

EXAMINATIONS
Electronic exams given in class will require the use of Respondus LockDown Browser. The student will be required to bring a laptop to the exam in order to take the exam or quiz. All exams taken outside the classroom will require both Respondus LockDown and Monitor. The student will be required to download and use lockdown browser for their computer or for these quizzes, by following the link on the test page in Canvas. The download is to be completed prior to coming to class to take the exam. Unfortunately, Repondus does not function well with iPads or Chromebooks nor does Respondus offer any technical support for the use of iPads or Chromebooks. Students should refrain from using iPads or Chromebooks for quizzes and exams. For technical support using LockDown Browser or Monitor, search “respondus” at support.northpoint.edu or contact support@northpoint.edu. Should a student be sick on the day of an examination, he/she can make the exam up provided he/she follows the procedure noted below.

a. Make-Up Exam Policy: All exams must be made up within five (5) days of the date of the original exam (excluding weekends). For example, if the exam is given at the 8:00 a.m. class on Monday, it must be made up before 8:00 a.m. the following Monday. Both Respondus Lockdown and Monitor are required for all electronic exams taken outside of class.

• Illness: In the case of illness, the student must notify the Resident Director of his/her illness and secure from the Resident Director a “sick-slip.” The student must fill out a “Make-Up Exam” form (located in the Office of the Registrar). The form will then be forwarded to the Office of the Chief Academic Officer/Provost for signature. The student should attach the sick slip and a doctor’s note, if obtained, to the form. The student should then schedule a time with the professor to make up the test.
Students not making up the exam within the prescribed time period will receive a “0”. If the student is unable to obtain a sick clip in a timely fashion, the Make-up Exam form should be completed and submitted. Once the RD’s have sent in the sick slip it will be attached to the form by the Registrar’s Office. The student will receive a copy of the make-up exam for his/her files. Commuting students who miss an exam due to illness should fill out the Make-up Exam form and indicate illness as the reason.

- **Non-illness**: Unless a student is ill, all exams must be taken as scheduled. There is no provision for make-up exam for non-illness absences.

b. **Exams Taken in the Center for Academic Development (CAD)**: Students approved to take their exams in the CAD are to do so on the day the exam is scheduled in class. In some cases this is not possible; therefore, with the approval of the CAD Director, a student may be given up to two days in which to take the exam (if Exam given on Monday, then the CAD student must take it by Wednesday). – Exams not taken within this time period will be considered late and therefore, not able to be made up except due to illness. It is the student’s responsibility to schedule all exams with the CAD Director based on his/her syllabi schedule. Should a student be sick on the day of the exam, he/she is to follow the Late-Exam policy above. Quizzes should be taken in the classroom, but in consultation with the professor accommodations may be arranged. Late CAD exams will be handled according to the make-up exam policy above. Therefore, schedule all exams at least one week in advance of the exam with the CAD Director. For late exams – the student must follow the above make-up exam policy and will be subject to the same policy noted above.

c. **Final Exams**: Finals are scheduled during Finals Week. The schedule is distributed one month before Finals. Each student is responsible to check the schedule carefully and make arrangements to be present for all finals. Finals are not necessarily given on the same day, or even the same hour, as the regularly scheduled class. Students who have more than three finals on one day may request that one of the finals be rescheduled. Students should fill out a “Final Exam Reschedule” form found in the Registrar’s Office. In consultation with the Chief Academic Officer’s office, one of the Finals (usually an elective) will be moved. If a student is more than 10 minutes late to the final exam, the professor at his or her discretion may choose to deduct 10 points for being late. The professor will be notified in advance to be prepared to have the Final ready for the student. Students are NOT to arrange a Final Exam change with the professor.

**Cell and Smartphone Usage**

Cell Phone and Smartphone Procedure: Phones are to be kept in “vibrate” mode per CLERY Act – “Send Now” emergency notification. In the classroom, phones are to be kept in the student’s backpack/book bag/briefcase/purse, etc.

a. Students MAY use a Bible application on their Smartphone when the class is directed to open their Bibles to a specific passage of scripture. Once the scripture passage is read, the Smartphone is to be placed back in the backpack/book bag/briefcase/purse, etc.

b. Students may take class notes on their Smartphone provided they follow the procedures noted below.

- By the second week of class, the student must submit to the professor a “Smartphone Usage” form indicating the usage of their smart phone for class notes.
- The form is to be approved by the professor; a copy will be given to the student and the original kept by the professor.
• The professor may ask periodically that the notes be e-mailed to him/her for verification that the student is able to keep up with the notes via Smartphone, and that notes were taken.
• If a student is found using the phone for any other purpose than note taking, the student will lose the privilege of taking notes via Smartphone for the remainder of the semester.
• Unless a “Smartphone Usage” form has been filed by the student and approved by the professor at the beginning of the semester the student may not use his/her Smartphone for note taking.

C. Students MAY NOT use their phone, iPad, computers or other electronic devices in the classroom, chapel, or class prayers at any time to:
• Make or receive calls
• Text or receive Texts
• Check e-mail
• Surf the Internet
• Access any social network site
• Take pictures or videos during class
• Listen to music or watch videos during class
• Play games

D. Students found using their phone, iPad, computer, or other electronic device for any of the above will be asked to place their device on the professor’s desk for the remainder of the period. Continued improper usage and the student will be required to place the device on the professor’s desk at the beginning of class for the remainder of the semester.

Plagiarism
NPBC subscribes to Turnitin, a service that monitors writing originality in assignments, reports and papers and checks for plagiarism. Turnitin integrates with Canvas so that submissions are checked for originality through a Turnitin report. This company compares student submissions to various electronic resources as well as to other submissions to Northpoint and other colleges through the Turnitin database. Sources that are not cited, which are copied or paraphrased from another source without citation are considered plagiarized. Any material, whether published or unpublished, quoted from another writer, must be identified by use of quotation marks, block quotations, and documentation with specific citation of the source and paraphrased material must likewise be attributed to the original author, for both formal papers as well as other assignments, unless otherwise instructed by the professor. The Turnitin report highlights content considered to be similar to other sources in the Turnitin database. Both students and instructors can view the similar source and the student submission side by side. The similarity index is not directly factored into a grade for an assignment. Rather, it is a tool for the instructor to use to grade and verify sources. Cited sources will still show as unoriginal, but the instructor will use that information to verify that each citation and paraphrase is cited.

As a school intent on training men and women of integrity for the ministry, Northpoint takes plagiarism seriously. Plagiarism consists of the following categories (from Turnitin: http://turnitin.com/assets/en_us/media/plagiarism_spectrum.php):

A. Submitting another’s work, word-for-word, as one’s own.
B. Containing significant portions of text from a single source without alterations.
C. Changing key words and phrases but retaining the essential content of the source.
D. Paraphrases from multiple sources, made to fit together.
e. Borrows generously from the writer’s previous work without citation.
f. Combines perfectly cited sources with copied passages without citation.
g. Mixes copied material from multiple sources.
h. Includes citations to non-existent or inaccurate information about sources.
i. Includes proper citation to sources but the paper contains almost no original work.
j. Includes proper citation, but relies too closely on the text’s original wording and/or structure.

See also the 9th Edition of Turabian for a fuller explanation of plagiarism: 4.2.2-3; 7.9.1-11; 15.1; 15.2; and 15.2.1

Any student found guilty of plagiarism will be subject to, but not necessarily limited to, the following discipline:
a. Faculty discipline on first offense:
   • Reduction of grade
   • Failure of assignment
   • Letter of reprimand

b. Academic Affairs Committee discipline on successive offenses. Student will be subject to, but not necessarily limited to, the following discipline:
   • Receiving an “F” for the course
   • Removal from any extracurricular activities (second offense)
   • Dismissal for one year (three or more offenses)

Faculty are to report all cases of plagiarism to the Chief Academic Officer/Provost in the form of a “Plagiarism Report.”

CHEATING

Northpoint subscribes to Respondus Lockdown Browser and Monitor. This software, which requires an installation on the computer that the student will use for the course, will discourage cheating by preventing students from opening other browser windows while taking a test or quiz. Students are expected to follow all instructions outlined in the opening sequence of Respondus Lockdown Browser and Monitor quizzes. This includes verification that the webcam is functional, presenting a form of ID to verify identity, and using the camera to capture the environment around the student. The student is expected to avoid the use of phones, tablets, or any other electronic device than the one used to take the quiz while quizzing. The use of paper notes and texts is also prohibited. Failure to adhere to these guidelines will result in a 0 on the quiz, without the option to retake.

Cheating is a breach of integrity and will be dealt with by the professor or higher authorities if needed. Cheating consists of such infractions as using unauthorized notes or material when taking an examination, copying answers to examination questions, obtaining or helping others to obtain unauthorized copies of examination questions, copying another person’s class work/assignments and/or homework and submitting it as one’s own; having another student do one’s paper, or any other assignment, in whole or in part and submitting the assignment as one’s own work; allowing another student to copy one’s paper or assignment, copying another student’s paper with that student’s permission, or submitting the same paper for two or more classes, even if it is the student’s own work. The use of any photographic device used to capture images of a quiz or exam is also considered cheating. Any student found guilty of cheating will be subject to one or more of the following actions:
a. Receive an “F” for the assignment or course.
b. Suspension
c. Dismissal

INSTITUTIONAL AND COURSE ASSESSMENT MEASUREMENT

Northpoint Bible College requires and values assessment to monitor and enhance the effectiveness of individual courses and the curricula at large in support mission. An important element of this assessment process is the measurement of various levels including those of the institution, degree program, the divisions within each program, and the individual courses. Faculty are required to incorporate these various objectives into their courses based on their relevance to the course description and assignments. These objectives are connected to all course assignments and quizzes to provide objectives which demonstrate whether the identified objectives are being successfully achieved. While some of these objectives will not be noticeable to the student, on assignment rubrics in courses these objectives will be present and will be measured by the professor. These notations include the four measurement levels of “exceed mastery, mastery, near mastery, and below mastery to identify student effectiveness in achieving these objectives. For the sake of clarity and consistency the faculty have adopted these stated guidelines for distinguishing these measurements:

• 90 – 100 Exceed Mastery
• 73 – 89 Mastery
• 67 – 72 Near Mastery
• 66 and below is Low Mastery

Please contact your professor if you have questions about the use of these objectives in a course.

PROCEDURE FOR WITHDRAWING FROM COLLEGE

An official “Withdrawal Form” can be obtained from the Registrar’s Office. The form must be completed and submitted to the Office of the Chief Academic Officer/Provost. The student is required to meet with the Chief Academic Officer/Provost prior to withdrawal for an exit interview; this will usually occur within a day or two of the date the form was submitted. However, the date the student reports as the withdrawal date on the official withdrawal form will be the date used for tuition refund purposes (see Refund Policy below). Failure to officially withdraw from school will result in an “F” for the term. A student is not to assume that by not attending classes that he/she has withdrawn. Unless an official withdrawal form is completed, the student will continue to be enrolled in the class and will receive an F for the course.

A student who must withdraw from college after the fourth week of the semester will receive a grade of “WF” or “WP” (dependent on the student’s grades up to that point) on his/her official record.

REFUND POLICY

A student who withdraws from the college prior to the 4th week of the semester will receive a partial refund of tuition, room, and board (i.e., no refund of required fees, miscellaneous fees, etc.), provided the student completes the withdrawal process. The refund schedule applies to all students at Northpoint, whether receiving federal student aid or not. The refund amount varies
according to when the withdrawal occurs:
Before classes start: 100% refund
During the first week: 90% refund
During the second week: 50% refund
During the third week: 25% refund
During the fourth week and beyond: no refund

Refunds for students who are first time, first semester students will be calculated on a pro rata basis—based upon the actual number of weeks attended up to 4 weeks. Refunds for non-traditional students (e.g., weekend college, modular courses, summer school, online courses etc.) will be based on the equivalent number of weeks attended. In the event a student is dismissed, a refund of tuition, room and board charges will follow standard refund policies applicable to any student withdrawal.

**CHRISTIAN SERVICE**

Christian service is designed for students to receive hands-on experience in ministry. The primary goal of this requirement is to equip students for ministry. Students participate in various ministries and fulfill multiple capacities and roles with their involvement. Students are given the opportunity to choose the church in which they will serve. The goal of this opportunity is to create an atmosphere in which the student is encouraged to build a relationship with the pastor, church and community in which they will be serving. Students participate in various capacities and are placed in churches within an hour radius of the college. Those involved in ministry are exposed to diverse ministries of the church.

All students must participate in Christian service as sponsored by Northpoint Bible College. Students will serve in at least one (1) church service per week. Freshmen will attend one (1) service per week, the Sunday a.m. service; all other students attend two (2) services per week (Sunday school and morning service are considered one service).

Exceptions will apply only to students who are selected to participate in the Traveling Ministries program, or who participate in sponsored Ministry Trips, Traveling Teams or Recruiting Events. These students will be required to attend their assigned church on their off Sundays. Changing your church or the rotation of churches is not permitted and will count as an absence. Students will be allotted 2 absences (per semester) from the church they choose to serve.

1. Students requesting reassignments must do so in writing to the Christian Service department before the beginning of the third (3rd) Sunday of the semester. Reassignments will be made based upon available openings. Once a student commits to serving at their church of choice they will be committed to that responsibility until the end of the school year.
2. Students shall respect and maintain all standards as noted in the pages of this handbook. This is to be taken into strict consideration at all regular church services and/or church related activities.
3. Sophomore, junior, and senior students are to attend two (2) services each week. Since all churches usually have a Sunday (a.m.) service, students are to be in attendance for that service. The second service may be chosen based upon the frequency and meeting times of
the assigned church.

4. Students are responsible to notify their pastor and Christian Service department when they will not be in attendance. In the case of an absence due to school related activities, the pastor should be given advanced notice of such activities. In the case of an emergency or sudden illness, the resident director must be notified and a notification, via phone or another team member, to the pastor is requested.

5. Students will serve under the leadership of the pastor in their assigned church. Students will serve under the leadership designated by the Lead Pastor. Pastors, in consideration of their church programs, will determine areas of need and service.

6. Students will be organized into “teams” in most churches. In this “team,” there will be at least one driver. “Teams” should function together at all times. When a student is not able to attend, notification should be given to other team members.

7. Students are required to be back on campus prior to Sunday night curfew. Should a student’s service extend beyond the necessary time, the student must notify their resident director, leave immediately following the service, and come directly back to the campus.

8. Students must have permission for overnight ministry from Christian Service and the Office of Student Development. If the ministry involves absence from class, the student must have permission from the Chief Academic Officer/Provost.

9. Students are to maintain Northpoint’s dress code while participating in Christian Service.

10. Weekly attendance verification is mandatory and will be done through time logs and a series of questions on Canvas. Failure to report weekly attendance will result in meeting with the President an absence. If the number of absences is exceeded the student will fail. If the absence continues a meeting will be set up with the Student Life Committee to determine whether or not the student will remain at Northpoint Bible College.

If a student’s request to miss church relations commitments is approved, it is the student’s responsibility to notify their church relations pastor, or other appropriate leadership at their church.
SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Higher Education Amendment of 1976 mandates institutions of higher education to establish standards of “satisfactory academic progress” for all students receiving financial aid. Northpoint Bible College will make the following standards applicable to all federal funds awarded to students.

STUDENT FEDERAL AID AFFECTED
Federal Pell Grant
Federal Supplemental Educational Opportunity Grant (SEOG)
Federal Work-Study (FWS)
Federal Direct Subsidized and Unsubsidized Loans
Federal Direct Parent Loan for Undergraduate Student (PLUS)

Note: The Satisfactory Academic Progress (SAP) standard affects state grant programs.

REQUIREMENTS FOR SATISFACTORY ACADEMIC PROGRESS (SAP)
Northpoint Bible College’s SAP policy, according to 34 CFR 668.34, includes both a qualitative measure (such as the use of a cumulative grade point average) and quantitative measure (such as a maximum time frame for completion which cannot exceed 150% of the published length of the program). Therefore, for a student to be maintaining satisfactory academic progress, he/she must, in general, have a C average or its equivalent 2.0 upon completion of 60 or more credits in the Bachelor of Arts program, or upon completion of 30 or more credits in the Associate in Arts program.

The student must complete 67% of cumulative credits attempted (including repeated and transfer credits). For example, a student who attempts 30 credits but actually completes 19 would only have completed 63% of all credits attempted. This is not satisfactory academic progress.

The student may attempt, including transfer credits, a maximum of 192 credits before financial aid eligibility will be terminated.

The following qualitative chart applies to all full and part-time students Bachelor of Arts program:

<thead>
<tr>

<table>
<thead>
<tr>
<th>Credits Completed:</th>
<th>Cumulative GPA</th>

<tbody>
<tr>
<td>1-15</td>
<td>1.60</td>

The following quantitative chart shows the minimum completed credit hours to maintain 67% satisfactory academic progress:

If attending on a ¾ time, ½ time or less than ½ time basis, hours and semesters will be prorated accordingly. For ¾ time, a student must complete his/her program in 9 years; for ½ time, in 12 years and less than ½ time in 18 years to meet the 150% completion period.

**FULL TIME ASSOCIATE IN ARTS STUDENTS, 3 YEARS = 150%**

<tbody>

</tbody>
</table>

If attending on a ¾ time, ½ time or less than ½ time basis, hours and semesters will be prorated accordingly. For ¾ time, a student must complete his/her program in 5 years; for ½ time, in 8 years and less than ½ time in 15 years to meet the 150% completion period.

**Note:** While the above requirements are minimums, it should be clearly understood that after a student’s first semester, fifteen credit hours is a normal academic load for a full-time student recommended for a student to complete his/her degree on time.

The satisfactory academic progress of freshmen and/or transfer students enrolled in the Bachelor of Arts or Associate in Arts program will be reviewed by the Registrar at the end of the students’ first year.

Students who are not making SAP will receive a “warning” letter from the Registrar. The following semester, though on “warning,” the student will retain his/her federal aid.

If a student fails to achieve SAP at the conclusion of the “warning” period, he/she will be issued a notification letter from the Financial Aid Director placing him/her on financial aid suspension. The student has the opportunity to appeal for reinstatement of aid if there were mitigating circumstances.

Mitigating circumstances are:

- Family emergency (death or other extenuating circumstances)
- Extended illness (physical or mental), injury or hospitalization
- Documented learning disability

**APPEAL PROCESS**

If extenuating circumstances have affected the student’s progress, an appeal may be submitted. To file an appeal, the student must contact the Financial Aid Office to obtain the “Appeal for Reinstatement of Financial Aid Eligibility” form. The student must submit, along with this form,
any requested documentation necessary to support his/her claim of mitigating circumstances. Additionally, the student must explain why he/she failed to make SAP and what has changed that will allow him/her to make SAP at the next evaluation.

**NOTE:** The deadline to file an appeal is no later than 30 days before the start of the semester.

**Probation Status**
If a student’s appeal is approved, the student will receive a letter from the Financial Aid Director notifying him/her of the SAP Committee’s decision. The student will be placed on “probation” and will retain federal aid eligibility. If, following the semester of “probation,” the student fails to make SAP, as outlined in the charts; he/she will lose federal aid eligibility.

**Factors Affecting Financial Aid Status**

**Academic Amnesty:** Northpoint Bible College does not practice academic amnesty. A student may not regain eligibility by withdrawing for a semester or more.

**Audited Courses:** Audited courses are ineligible for federal aid since they do not earn credits.

**Incomplete Courses:** Incomplete courses will not count toward satisfactory academic progress until a grade is submitted to the Registrar. Incomplete courses will receive a grade of “F” if the course is not completed by the institution’s deadline.

**Remedial Courses:** Six hours of remedial courses are allowed for determining full-time status and hours completed and will be eligible for federal aid. These hours will not be included in the quantitative assessment.

**Repeated Courses:** Students who repeat previously failed courses to earn a passing grade may receive aid for repeating a failed course until it is passed. Students who repeat a previously passed course can do so only once and receive financial aid. Repeated coursework will count toward the enrollment status (full or part-time). For a four-year degree program, a maximum of 25 credits or 10 repeated courses will be allowed in determining the number of credits completed in the overall program.

**Returning Students:** Students who were on “warning” or “probation” prior to withdrawal during a semester will return at the same status. Students who withdrew at the end of a semester will have their status recalculated based on credits earned in the last semester of attendance.

**Summer Courses:** In determining SAP, credits earned during the summer will be evaluated with the previous semester’s progress report.

**Transfer Courses:** Credits transferred in are counted as credits earned in the quantitative measurement. Credits earned are not factored into the grade point average (GPA). Only credits that apply to the student’s program are transferred. Transfer students enter at a satisfactory academic progress level.

**Withdrawals/Dismissals:** Whenever a student withdraws (officially or unofficially) or is dismissed, the courses neither earn credit nor affect the grade point average; however, they will affect the quantitative completion rate (credits attempted but not earned). Students may retake any courses from which they have withdrawn; the credits will count in the enrollment status (full or part-time) determination and will be eligible for federal aid.
STUDENT EDUCATIONAL RIGHTS AND PRIVACY OF RECORDS

The Family Educational Rights and Privacy Act of 1974 deals with the protection of the right of privacy of students and governs access to and release of student records. In brief, the statute provides that educational institutions must provide students access to official records directly related to the student requesting access, and an opportunity to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate. Educational institutions must obtain written consent of students before releasing personally identifiable data about students from records to other than a specified list of exceptions (see “Access to Records” noted below). Students must be notified of their rights as enumerated by this document, and that the Department of Health, Education, and Welfare will investigate complaints of alleged violations of this act.

ACCESS TO RECORDS
Section 433 (d) states: “...whenever a student has attained eighteen years of age, or is attending an institution of post-secondary education, the permission or consent required of and the rights accorded to the parents of the student shall thereafter only be required of and accorded to the student.”

“An institution is permitted by section 438 of the Act and this part to disclose information pertaining to an eligible student to the parents of the eligible student with the prior written consent of the eligible student or with the prior written consent of the eligible student if that student is a dependent as defined under section 152 on the Internal Revenue Code of 1954.”

In the absence of an official request, information contained in a student’s records remains confidential between the student and Northpoint Bible College and will not be released to third parties without the consent of the student, with the following exceptions: information for school directory (this includes name, address, telephone number, major fields of study, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance and degrees and awards received), information needed by school officials within the College, information requested by officials of other schools to which the student is seeking admission, information requested by Federal or State educational authorities, information needed in connection with the receipt of financial aid, information released pursuant to state law or subpoena, information requested by accrediting organizations, and information requested by parents of dependent students.

Any information released to a third party shall contain a statement informing the party of the requirement that the information provided may not be released without the written consent of the student.

CHALLENGE HEARINGS
To ensure that records are not inaccurate, misleading, or otherwise in violation of a student’s rights of privacy, the student may challenge the alleged inappropriate data at a hearing requested through the Office of the Chief Academic Officer/Provost. An impartial hearing officer will be
appointed thus affording the student full opportunity to present evidence in support of the challenge.

The hearing officer shall render a decision within a reasonable time after the hearing.

**RECORDS INSPECTION**

Requests for record inspection should be directed to the Chief Academic Officer/Provost. The student has the right to a copy of the record so inspected, with the cost of the reproduction assessed to the student. The student may challenge an inaccurate record and request a hearing concerning any alleged inaccuracy contained therein. Any challenge must be established by a preponderance of evidence that the record is inaccurate. If desired, the student may submit a written explanation of a record’s content, which then becomes part of the record. The College will comply with a request to inspect and review educational records within a reasonable period of time; not exceeding forty-five days after the request has been made.

**ON CAMPUS STUDENT GRIEVANCE POLICY**

As an institution preparing men and women for ministry, we strive to follow biblical principles in all aspects of our policies and procedures. The Institution takes concerns and grievances voiced by students seriously, and should a student have a grievance we want to know. It is the Institution’s desire to handle all student grievances thoroughly and expeditiously. The Institution welcomes the opportunity to work toward finding solutions to any problems. This becomes part of the educational process and fosters spiritual development. The biblical pattern for resolution is evidenced in Scriptures, such as but not limited to:

“If your brother sins, go and show him his fault in private; if he listens to you, you have won your brother. But if he does not listen to you, take one or two more with you, so that by the mouth of two or three witnesses every fact may be confirmed and if he refuses to listen to them, tell it to the church...” Matthew 18:15-17

“Never pay back evil for evil to anyone. Respect what is right in the sight of all men. If possible, so far as it depends on you, be at peace with all men.” Romans 12:17-18

The first level of resolution is informal and is between the student and staff, faculty member, or administrator. As the student begins the process, they should keep in mind these five aspects:

- Contact the college employee by phone or email to schedule an appointment.
- In this meeting, be clear about what your concern is and how you would like the issue resolved.
- Do your best to demonstrate tact and respect.
- Try not to say things that you will regret, or which will make the solution or reconciliation more difficult.
- Pray about the matter. God is interested in you as a person.

If the grievance or concern is not resolved to the student’s satisfaction, the student may move into the Formal Grievance process detailed below.

If after talking with the individual the student cannot find resolve, then the student can move into the Formal Grievance process. First, the student should fill out the Northpoint Bible College and Graduate School Student Formal Complaint Form which can be found online in the Student
Grievance Section. This document and any emails or notes taken by the student during the informal process should be emailed to the Chief Academic Officer/Provost (CAO) of the Institution. The CAO will review the form and make an initial contact with the student within five (5) working days of the complaint being filed. The CAO will independently speak with the student and the other party. After independent consultation, the CAO will call a meeting between the two individuals in order to bring resolution. This meeting is to take place within two (2) weeks of the initial formal grievance form being filed. If resolution cannot be achieved at the meeting and the CAO needs to render a decision, both parties will be notified via email no later than three (3) days after the meeting of the CAO’s decision.

If the student grievance is with the CAO of the institution, then the student will contact the Dean of Students who will then initiate and follow the above procedure for the first level of the formal process.

If a resolution is not worked out at the first formal stage, and the student is not in agreement with the decision of the CAO, then the student may initiate a second level of formal grievance with the President of the Institution. The student is to contact the President via email requesting the second formal level of intervention. Once the email is received by the President of the Institution, the President is to respond within the same time parameters and follow the same procedures as outlined in the first formal stage. The President is to receive all written communication and documentation from the CAO. At the discretion of the President, he may involve the President’s Cabinet in this decision-making process. If resolution cannot be achieved at this level, and the President of the Institution is required to render a decision, the President will do so within three (3) days of the meeting and will notify all parties via email.

**ONLINE STUDENT GRIEVANCE POLICY LETTER**

Dear Online Student,

Should the unfortunate circumstances arise whereby an out-of-state student residing in a SARA 1 participating state should have a complaint against the school which they feel has not be adequately addressed through the grievance procedures stated by Northpoint Bible College and Graduate School the student does have recourse to appeal directly to the Massachusetts Board of Higher Education operating under the auspices of the SARA agreement. However, the Massachusetts Board of Higher Education requires that all formal measures be taken with Northpoint prior to filing a complaint with the state of the Massachusetts. For your convenience, the link to the Northpoint Bible College and Graduate School Grievance Policy is: https://northpoint.edu/academics/online/

Once all the procedures established by Northpoint Bible College and Graduate School have been exhausted and a resolve has not been reached, the student is entitled to file a complaint at this web address: https://www.mass.edu/foradmin/sara/complaints.asp

Below you will find the MA Dept. of Higher Education policy as it relates to complaints made under the SARA agreement.
12.07: Complaints

(1) 610 CMR 12.07 applies only to complaints which pertain to distance education provided by institutions approved by the Board to operate under SARA to students residing in other states\(^2\) pursuant to SARA. Complaints about a SARA institution’s in-state operations, including intrastate distance education, are to be resolved pursuant to 610 CMR 2.00: Degree-granting Regulations for Independent Institutions of Higher Education Standards, where applicable, or otherwise in accordance with the institution's policies.

(2) A student who receives SARA distance education from an institution approved by the Board to operate under SARA may, after exhausting the institution’s procedures for resolution of grievances, file a written complaint regarding the institution with the Department. The Department shall make complaint forms available on its website: www.mass.edu.

(3) The Department shall review and attempt to resolve complaints which pertain to SARA distance education provided by institutions approved by the Board to operate under SARA as follows:

(a) The Department shall send a copy of the complaint to the institution that is the subject of the complaint;

(b) Within 30 days of the date that the Department sends a copy of the complaint to the institution, the institution must provide a written response to the student and the Department;

(c) Within 30 days of the date the Department received the institution’s response, or if the Department receives no response, the Commissioner or his or her designee shall issue a notice to the institution containing the Commissioner’s findings regarding the complaint; any corrective actions that the institution shall take to comply with the requirements of this regulation; and that, should the institution fail to take those corrective actions, the complaint shall be referred to the Office of the Attorney General for review and, if the Office of the Attorney General deems it appropriate, enforcement action.

(d) The Department may review and consider an institution’s history of complaints received under this section and under 610 CMR 2.00: Degree-granting Regulations for Independent Institutions of Higher Education to determine if an institution’s application should be denied, if an institution’s renewal application should be denied, if an institution should be moved to provisional status, or if an institution should be disapproved to operate under SARA.

\(^2\) That is, a student taking online courses who has their permanent place of residence/and or legal domicile outside of the Commonwealth of Massachusetts.
(e) Nothing in 610 CMR 12.07 precludes the Commonwealth, including the Office of the
Attorney General, from simultaneously enforcing its laws and regulations, including laws of
consumer protection and fraud prevention, such as 940 CMR 31.00: For-profit and Occupational
Schools, against an institution approved by the Department to operate under SARA.

In addition to this procedure, please see and be aware of Northpoint Bible College and Graduate
School’s student grievance policy.

Sincerely,

Dr. Daniel Howell Chief Academic Officer/Provost

CURRICULUM

CURRICULUM PHILOSOPHY
Northpoint offers a specialized curriculum that is designed to enable students to meet the challenges of the future. The center of our curriculum, and the first major for all students, is the Bible giving the student a firm foundation upon which to build a solid ministry. The College offers a Baccalaureate degree in Biblical Studies, into which the student may incorporate a second major in Pastoral Ministry, Intercultural Ministry, Children and Family Ministry, Student Ministry, Worship Arts Ministry, or Ministry Leadership. A general course of study is made available for some students when the Office of the Chief Academic Officer/Provost deems it more suitable for the student.

The curriculum design of Northpoint Bible College contains three major components, the Department of Bible and Theology, the Department of General Education, and the Vocational Ministry Departments (Church Ministries, Intercultural Ministry, and Worship Arts Ministry).

The purpose of the Bible and Theology Department is to challenge the student to approach life and learning from a biblical perspective, and to stimulate an appreciative love for God and obedience to His revealed will. The focus of this integral division provides the essential data to enable each student to form a Christian world-view, to develop an effective Christian life, acquire a sound philosophy, and to increase his/her understanding of how to interpret and skillfully utilize the sacred Scriptures. Emphasis is placed on understanding the broad themes and structure of complex truths.

The purpose of the General Education Department is to provide an introduction to a broad range of disciplines and to aid the student in developing critical thinking skills, as well as communication skills that will better enable him/her to share the Gospel of Christ. The General Education curriculum examines various subjects of study in light of biblical truth in order to prepare the student to proclaim Christ effectively and intelligently. The curriculum’s design is to help each student gain an understanding of selected knowledge in the areas of science and the humanities, and to relate this understanding to a Christian world-view.

The purpose of the Vocational Ministry Departments is to enable the student to formulate a biblical and practical philosophy of ministry that will be implemented in various areas of Christian service. The program fosters understanding, skill, and enthusiasm for the student’s chosen field of ministry. Vocational ministries (second major) focus on the biblical mandate: “Be ye doers of the Word, and not hearers only” (James 1:22).

CURRICULUM CHANGES
The curriculum at Northpoint Bible College is continually studied and revised as needed. This catalog, therefore, reflects the most current features of every program. Changes in requirements, course offerings, and class schedules may occur subsequent to the printing of this catalog and all offerings will then be subject to these changes.

The Seminary at Northpoint Bible College is dedicated to providing quality graduate level education focused on equipping current and future church leaders to fulfill their call. The Graduate School is devoted to the centrality of Scripture, the Lordship of Jesus Christ, and a Pentecostal viewpoint in theology, ministry, and life.

The Master of Arts in Practical Theology degree at the Graduate School is a multi-faceted degree in that it offers curriculum for the enhancement of ministry in various settings. The underlying sub-structure of the degree is to equip current and future church leaders in the process of growing healthy and vibrant ministries in a local ministry context. We define church growth and revitalization (whether revitalization is viewed as a continual process in maintaining a healthy church or as a major transformation for an unhealthy church) as the ability for a ministry leader to understand current societal and ministry trends, evaluate a current ministry, develop a new direction/plan for a ministry, and to the ability to implement and evaluate the plan. This is the nucleus of our practical theology degree. Every course in this degree includes course requirements that are practical and applicable to the student and/or ministry setting which can lead to or enhance the probability of growth or revitalization.

Expanding the leader’s breadth of Scripture through enhanced hermeneutical skills and an appreciation of historical theology, and by augmenting the leader’s understanding of theology for ministry and life in an academic environment is challenging yet richly rewarding. The advanced study of scripture provides the means for a better understanding of the triune God and His Kingdom, a deeper appreciation for and understanding of Pentecostalism, personal transformation, and for exploring the nature of ministry.

The practical theology curriculum focuses on three aspects. First, it strengthens the pulpit and teaching ministries of the leader. The centrality of scripture in ministry is enhanced through the continual improvement in the knowledge of communication theory and methods and in the ongoing development of communication skills.

Second, the curriculum helps in the discovery of new ministry strategies. The study of various models of ministry utilized by growing churches is evaluated. Local ministry settings are evaluated for current effectiveness and new strategies for church vitality are created. In addition, tools necessary for understanding the need for and process of church revitalization are incorporated into the curriculum. The challenges for continual improvement and the development of new strategies create an environment for providing the skills for ministry.

Personal renewal is the third aspect. The practical theology curriculum provides opportunities for spiritual renovation and formation. The discovery of new avenues for continual spiritual health, the development of life and ministry worldview, and an understanding of oneself as an *Imago Dei* are vital to the spiritual well-being of the leader. The positive and encouraging interaction between fellow students and mentors creates an environment conducive to transforming the person in ministry.

The Master of Arts in Practical Theology degree offers three separate concentrations for the student’s choosing: Spiritual Formation, Pastoral Leadership, Preaching.
